ABOUT THE COLLEGE

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati AppaRao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. Department of MBA believes in learning beyond the classroom and in interaction with industry. We at the Department instill aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF THE SEMINAR.

Self-Exploration: One of the primary objectives of career guidance is to help individuals explore and understand themselves better. Career counsellors facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations. This self-exploration process enables individuals to gain clarity about their strengths, weaknesses, and areas of passion, which in turn guides their career decisions.

Career counsellors encourage individuals to continuously develop their knowledge, skills, and competencies. They provide resources, such as workshops, networking events, and mentorship opportunities, to support individuals in their growth journey.

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, AIML and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

About ECE Department

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology.

The Engineer & Society, a part of ECE Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

Objective of the Seminar:

It seems like University to identify students potential and talent in order to enhance their competitiveness in the job market .Talent development and industry -university collaborations are essential in in bouth identifying and development student's potential to be students ,universities ,companies and industry.

Objectives:

- ❖ Talent identification and development
- ❖ Industry -TAR UC Collabrations
- ❖ Cases of collabrations
- ❖ Finding and discussions
- ❖ General intellectual abaility
- ❖ Specific academic aptitude
- ❖ Productive things
- ❖ Visual & Prforming art

**ONE DAY SEMINOR ON
RESEARCH SKILL DEVELOPMENT IN UNIVERSITY-INDUASTRY
COLLABRATION “
30-04-2022**

Notice: One-Day Seminar on Research and Development

Date: April 30, 2022

Venue: Vijaya Institute of Technology for Women, Enikepadu, Vijayawada, Andhra Pradesh

We are thrilled to announce the successful organization of a one-day seminar on the joy of research by the Research and Development Cell at Vijaya Institute of Technology for Women, Enikepadu, Vijayawada, Andhra Pradesh. The seminar took place on April 30, 2022.

Seminar Objective: The primary goal of this seminar was to enhance the joy of research. Research, as a methodical inquiry, allows us to delve deeper into various topics and produce socially meaningful results. These results can take various forms, such as theses, products, research papers, or patents. It's worth noting that there are several distinct types of research, each utilizing different methodologies.

Registration Information:

- Registration Fee: Free
- Registration Deadline: April 30, 2022

We extend our heartfelt appreciation to all the participants who made this seminar a success. Your active participation contributes to the advancement of knowledge and innovation.

We anticipate hosting more events that celebrate the joy of research and encourage everyone to stay engaged in scholarly pursuits.

Objective of the Seminar:

The primary goal of research in any field of inquiry is to investigate by applying scientific methods. Each research has its specific goals that may enumerate broad goals of research

Research Skill Development in University-Industry Collaboration

Topic: Case study of a smart Design Project Road maps

DATE: 30-04-2022

Time: 10 TO 1:30

Join@ <https://meet.google.com/uap-gkre-kyv>

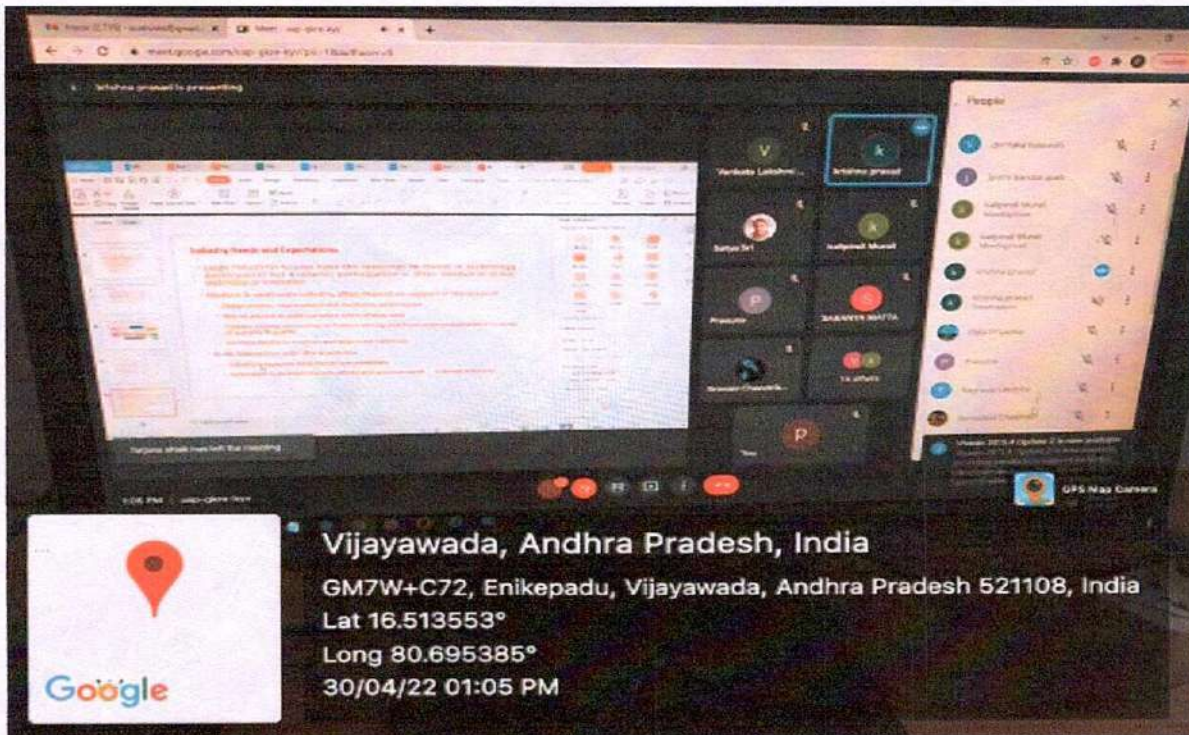

Organized by: **Research & Development Cell**

Banner : Research Skill Development in University – Industry collaboration

- **Inaugural Function Highlights: Research skill development in university – industry collaboration**
- **Date:** April 30,2022
- **Time:**10:00AM-1:30PM
- We are delighted to share the highlights of the inaugural function of our Seminar on “Research skill development in university – industry collaboration” " held on April 30,2022

Agenda:

- **10:00 AM:** The seminar commenced with a warm welcome address by the Coordinator, Dr. K. Murali, who also serves as the R&D Cell Coordinator and Associate Professor in the Department of Electronics and Communication Engineering.
- **11:30 AM:** Dr. G. Chenchamma, our esteemed Principal, addressed the audience, adding prestige to the event with her insights and wisdom.
- **12:00 PM:** The distinguished guest and resource person, Dr. K. Murali, Professor, and Head of Department of AIML at VITW, Vijayawada, delivered a keynote address. His expertise enriched our understanding of research tools and techniques.
- **1:30 PM:** The inaugural function concluded, marking the transition to the Seminar session.

Resource Person Explain through online

Research skill development is a multifaceted process that involves honing various abilities and techniques essential for effective research. These skills are critical for producing high-quality research, contributing to academic and professional fields, and advancing knowledge. Here are key aspects of research skill development

The one-day seminar titled "Research Skill Development in University Industry Collaboration" concluded on 30, April, 2022, culminating in a valedictory function. The welcome address during this significant event was graciously delivered by Ms. K. Prasuna. The highlight of the valedictory program was the guest speaker who delivered an inspiring and motivational speech. Their address centered around the profound relevance of conducting high-quality research. Attendees were left with a renewed appreciation for the importance of rigorous research and its potential to drive meaningful advancements in knowledge and society.

VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. Department of MBA believes in learning beyond the classroom and in interaction with industry. We at the Department instill aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF THE SEMINAR:

- ❖ To promote investments in knowledge creation and business innovation by establishing exclusive rights to use and sell newly developed technologies, goods, and services. Absent such rights, economically valuable information could be appropriated without compensation by competitive rivals.
- ❖ To promote widespread dissemination of new knowledge by encouraging (or requiring) rights holders to place their inventions and ideas on the market.

VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. Department of MBA believes in learning beyond the classroom and in interaction with industry. We at the Department instill aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF THE SEMINAR:

- ❖ To promote investments in knowledge creation and business innovation by establishing exclusive rights to use and sell newly developed technologies, goods, and services. Absent such rights, economically valuable information could be appropriated without compensation by competitive rivals.
- ❖ To promote widespread dissemination of new knowledge by encouraging (or requiring) rights holders to place their inventions and ideas on the market.

REPORT ON

TRADE – RELATED ASPECTS OF INTELLECTUAL PROPERTY RIGHTS

8th April, 2022.

Name of the Event	: Seminar on Trade Related Aspects of Intellectual Property Rights.
Date of the Event	: 08-04-2022
Venue	: Ground Floor, Skills Lab.
Resource Person	: Dr. N. Janardhana Rao, Associate Professor, Andhra Loyola Institute of Engg & Tech, Vijayawada.
Organized by	: IPR Cell, VITW.

On 8th April, 2022, IPR Cell from VITW organized a Seminar on “Trade – Related Aspects of Intellectual Property Rights.” The Co-ordinator of IPR Cell, DR. P. SUBBAIAH, HoD, Department of Business Administration introduced the Resource Person DR. N. JANARDHANA RAO, Associate Professor, Andhra Loyola Institute of Engineering & Technology to the Participants.

Objectives of the Event:

- To Create awareness about IPR's, especially Patents and Copy Rights.
- To Guide Researchers/Inventors in respect of Patenting their innovations.
- To provide insight into practical applications of IP such as Patent Drafting, Patentibility search and freedom to operate Search, Validity or Invalidity of Search and evidence of use analysis.

PRINCIPAL

VIJAYA INSTITUTE OF
TECHNOLOGY FOR WOMEN
ENIKEPADU, VIJAYAWADA-521 108.

Outcome of the Programme:

The Participants gained knowledge on

- IPR Overview.
- Types of IPR.
- Trade Marks and Copy Rights.
- Patents.
- Requirements for Technical Inventions.
- IP commercialization.

The Seminar was open to the Public and approximately 40 students attended the Seminar. Resource Person elaborated about Trade Marks, Copyrights, Patents and different ways to protect them and the consequences if they get violated. Resource Person concluded the Session with explaining some of the Examples. The Participants also shared their views and interacted with the Resource Person in a Positive Way. At the end of the Event, Resource Person distributed Certificates to the Participants and the Co-ordinator of IPR Cell, **DR. P. SUBBAIAH, HOD, Department of Business Administration** felicitated the Resource Person

DR. N. JANARDHANA RAO with a Moment.

ONE DAY SEMINOR AN INSIGHT INTO ENTREPRENEURSHIP JOURNEY 31th MARCH 2022

Registration Fee: Free

Registration Deadline: 31-03-2022

The Research and Development Cell at Vijaya Institute of Technology for Women, Enikepadu, Vijayawada, Andhra Pradesh, successfully organized a one-day seminar titled "An Insight into Entrepreneurship Journey" on March 31st 2022. The seminar aimed to explore the diverse goals of entrepreneurship, recognizing that these goals can vary significantly among individuals and across different countries and age groups.

Objective of the Seminar:

Specific goals of this Seminar included:

The main objective of the seminar was to address a specific challenge faced by educators in the field of entrepreneurship education. This challenge involves developing programs that are customized to meet the unique needs and capabilities of a younger audience.

Inauguration Function:

The "An Insight into Entrepreneurship Journey" event kicked off at 02:00 PM on March 31, 2022. Dr. G.Madhu sri, the Coordinator and an Associate Professor in the Department of MBA, welcomed the participants, setting a positive tone for the day.

Following the welcome address, Dr. G. Chenchamma, the Principal, shared her valuable insights and added prestige to the event with her presence.

The keynote address, a highlight of the inaugural function, was delivered by Mrs. A. ManjuLatha, an MBA Incubatee from IIM Kashipur, Uttarakhand. Her expertise in entrepreneurship promised to inspire and educate the audience.

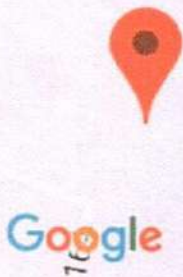

The inaugural function wrapped up at 5:00 PM, paving the way for an engaging seminar session led by Mrs. A. ManjuLatha, where she delved into the intricacies of the Entrepreneurship Journey, providing valuable insights and guidance to aspiring entrepreneurs.

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE,AIML and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of it's students.

About ECE Department

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology.

The Engineer & Society, a part of ECE Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills

and creates awareness among the recent trends & technologies in the computer field.

Objective of the Seminar:

The IPR laws and policies provide creators and owners of intellectual property with exclusive right to use and exploit their creations for a specific period .These rights enable them to gain financial benefits from their creations.The Intellectual Property Rights (IPR) refers to the legal rights given to the inventor or creation for a certion period of time

Objectives:

- ❖ Recognize and Inventors
- ❖ New Technology comes onto the market, society as a whole stands to benefit.
- ❖ Finance Further Technological
- ❖ Turn an Inventor's know- how into a commercially Tradeable asset.
- ❖ Makes a small Business more Attractive to investors

ONE DAY SEMINOR ON OVER VIEW OF IPR 30-03-2022

Registration Fee: Free

Registration Deadline: 29-03-2022

Seminar Title: OverView Of IPR

Organized By: Research and Development Cell, Vijaya Institute of Technology for Women, Enikepadu, Vijayawada, Andhra Pradesh

Date: 30th March 2022

Seminar Description: The primary objective of the seminar was to provide attendees with an insightful overview of Intellectual Property Rights (IPR) and its role in research endeavors. IPR serves as a vital tool for developing deeper into various subjects and generating outcomes that hold societal significance. These outcomes manifest in diverse formats, encompassing the realms of these, innovative products, research papers, and valuable patents. It's worth noting that different types of research employ distinct methodologies, and this seminar aimed to shed light on the multifaceted nature of research practices.

Objective of the Seminar:

The key aims of this Seminar encompassed.:

These aims may vary in emphasis depending on the specific intellectual property rights, such as patents, copyrights, trademarks, and trade secrets, and the legal and economic context of different countries and industries

Communication Engineering

Banner: Overview of IPR

The commencement ceremony:

It is a great pleasure to welcome you all to this auspicious occasion as we gather here today for the inauguration of our seminar on "An Overview of Intellectual Property Rights (IPR)." IPR is a topic of immense significance in today's fast-paced and innovation-driven world. I would like to extend my heartfelt gratitude to all of you for joining us in this endeavor to explore the depths of intellectual property rights and their vital role in our lives.

Student asking queries

Today, I have the privilege of addressing you on a topic of utmost importance in our increasingly globalized and innovation-driven world: Intellectual Property Rights, or IPR. As we approach the conclusion of this program, it's fitting to provide an overview of IPR and its significance in our society.

The one-day seminar on the Overview of Intellectual Property Rights (IPR) concluded on the 30th of March 2022 with a valedictory function. The event was graced by Ms. K. Prasuna, who delivered the welcome address. During the valedictory program, the guest speaker delivered an inspiring speech highlighting the importance of conducting high-quality research. The speaker emphasized the relevance of rigorous and innovative research in today's rapidly evolving world, where knowledge and innovation are driving forces. The speech encouraged all attendees to pursue excellence in their research endeavors and to contribute to the advancement of knowledge and society as a whole

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, AIML and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE, and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

About ECEDepartment

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology.

The Engineer & Society, a part of ECE Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

Objective of the Seminar:

The steps outline a simple and effective strategy for writing a research paper .Depending on your familiarity with the topic and the challenges you encounter along the way, you may need to rearrange these steps.

Objectives:

- ❖ Identify and development your toic
- ❖ Do a preliminary serch for informaion
- ❖ Locate materials.
- ❖ Evaluate your sources.
- ❖ Make Notes
- ❖ Write your paper.
- ❖ Cite your sources properly.
- ❖ Proofread.

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, AIML and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE, and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

About ECEDepartment

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology.

The Engineer & Society, a part of ECE Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

Objective of the Seminar:

The steps outline a simple and effective strategy for writing a research paper .Depending on your familiarity with the topic and the challenges you encounter along the way, you may need to rearrange these steps.

Objectives:

- ❖ Identify and development your toic
- ❖ Do a preliminary serch for informaion
- ❖ Locate materials.
- ❖ Evaluate your sources.
- ❖ Make Notes
- ❖ Write your paper.
- ❖ Cite your sources properly.
- ❖ Proofread.

ONE DAY SEMINOR ON HOW TO CARRY OUT THE RESEARCH WORK 29-03-2022

Organizer: Research and Development Cell,

Vijaya Institute of Technology for Women

Location: Enikepadu, Vijayawada, Andhra Pradesh

Date: 29th March 2022

Registration Fee: Free Registration

Deadline: 29th March 2022

Summary: The Research and Development Cell at Vijaya Institute of Technology for Women successfully hosted a one-day seminar on "How To Carry Out Research Work" on 29th March 2022. The primary objective of this seminar was to cultivate a deeper appreciation for research, emphasizing its role as a systematic inquiry method that yields socially meaningful outcomes in various forms, such as theses, products, research papers, and patents. The seminar also explored different research methodologies.

Please let me know if you need more specific information or have any other questions.

Objective of the Seminar:

Specific goals of this Seminar included:

Specific goals and objectives are essential to guide the research process effectively. The specific goals of how to carry out research work can vary depending on the nature of the research, but here are some common and important goals to consider:

Resource person Explain the How to carry out the Research work

Carrying out research work effectively involves a systematic and organized approach. Whether you are conducting research for academic, professional, or personal purposes, here's a step-by-step guide on how to carry out research work:

Define Your Research Topic:

Start by clearly defining your research topic or question. What do you want to investigate or learn more about? Ensure that your research topic is specific and focused.

Conduct a Literature Review:

Before diving into your own research, review existing literature and research on your topic. This will help you understand the current state of knowledge, identify gaps, and refine your research question.

Set Clear Objectives and Hypotheses:

G. Umm
**PRINCIPAL
VIJAYA INSTITUTE OF
TECHNOLOGY FOR WOMEN
ENIKEPADU, VIJAYAWADA-521 108.**

Define clear research objectives or hypotheses. What do you hope to achieve or prove through your research?

Choose Your Research Methodology:

Select an appropriate research methodology or approach based on your research question. Common methodologies include quantitative (surveys, experiments) and qualitative (interviews, content analysis).

ABOUT THE COLLEGE

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati AppaRao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. Department of MBA believes in learning beyond the classroom and in interaction with industry. We at the Department instil aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF THE SEMINAR:

- To enhance one's ability to be fully self aware by helping oneself to overcome all fears and insecurities and to grow fully from inside out and outside in.
- To increase one's knowledge and awareness of emotional competency and emotional intelligence at place of study/work.
- To provide opportunity for realising one's potential through practical experience.
- To develop interpersonal skills and adopt good leadership behaviour for empowerment of self and others.
- To set appropriate goals, manage stress and time effectively.
- To manage competency- mix at all levels for achieving excellence with ethics

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. Department of MBA believes in learning beyond the classroom and in interaction with industry. We at the Department instil aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF THE SEMINAR:

- To enhance one's ability to be fully self aware by helping oneself to overcome all fears and insecurities and to grow fully from inside out and outside in.
- To increase one's knowledge and awareness of emotional competency and emotional intelligence at place of study/work.
- To provide opportunity for realising one's potential through practical experience.
- To develop interpersonal skills and adopt good leadership behaviour for empowerment of self and others.
- To set appropriate goals, manage stress and time effectively.
- To manage competency- mix at all levels for achieving excellence with ethics

ABOUT THE COLLEGE

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

CIRCULAR

We are excited to extend a warm invitation to you to participate in an upcoming seminar on "**Quantitative Research**" on 11-11-2021. This seminar aims to delve into the principles, methodologies, and best practices of quantitative research, providing a platform for meaningful discussions and knowledge sharing. Your expertise in this field would be a valuable addition to our seminar, and we are eager to have you join us.

ABOUT US

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT, CSE AI&ML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering (CSE) is established in the year 2008 with a view to develop quality engineers to meet the current trends. The Department provides Undergraduate program in B.Tech (CSE) is noted for research and teaching excellence. Its recognized faculty members are engaged in breakthrough research across the leading areas of Computer Science and Engineering. The department has got well equipped laboratories with latest soft-wares to meet the industry trends. It also has excellent library facility.

OBJECTIVE OF THE SEMINAR

Quantitative research are specific goals and aims that guide the research process and outcomes when using quantitative methods. Here are some common objectives for quantitative research.

Objectives:

- Quantitative research aims to accurately describe and measure various phenomena, variables, or relationships within a given context. It seeks to provide numerical data that can be analyzed statistically.
- Determine causal relationships between variables by conducting experiments or using statistical techniques such as regression analysis to identify potential cause-and-effect associations.

A One day Seminar on Quantitative Research 11-11-2021

Registration Fee: Free

Registration Deadline: 11-11-2021

A one-day seminar on **Quantitative Research** was successfully organized by Department of Computer Science and Engineering in association with Research and Development Cell, Vijaya institute of technology for women, Enikepadu, Vijayawada, Andhra Pradesh, held on 11th November 2021

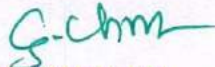

The main goal of the seminar on Quantitative Research provided a comprehensive exploration of the methodologies, tools, and techniques employed in quantitative research. the seminar aimed to enhance participants' understanding of quantitative research and its applications in various fields of study.

Objective of the Seminar:

Specific goals of this Seminar included:

The seminar had the following key objectives:

- To elucidate the fundamental concepts of quantitative research.
- To familiarize participants with quantitative research design and methodology.
- To discuss various data collection and analysis techniques.
- To highlight the significance of quantitative research in evidence-based decision-making.
- To encourage interdisciplinary collaboration and knowledge exchange among participants.

Program Out Comes:

The Seminar on Quantitative Research provided a valuable platform for participants to enhance their knowledge and skills in quantitative research methodologies. By promoting a deeper understanding of quantitative techniques, the seminar empowered attendees to conduct rigorous research, contribute to academic knowledge, and address real-world challenges with data-driven solutions. The event's success in facilitating knowledge exchange and interdisciplinary collaboration underscores the importance of continued efforts to promote quantitative research literacy among academics, researchers, and practitioners.

The one-day seminar on Quantitative Research came to a close on 11th November 2021, with a Valedictory function. Mrs.G.Anitha gave the welcome address in the valedictory function. Guest of the Valedictory Function gave a motivational speech on relevance of quality research during the valedictory programme and encouraged the participants to keep learning research methodology techniques and doing quality research. Dr. K. Murali, coordinator of the R& D Cell presented the report on one day seminar on Quantitative Research

“ RESEARCH ARTICLE WRITING”

Organized by R&D Cell

04th Oct, 2021

Vijaya Institute of Technology for Women

An ISO 9001:2015 Certified Institution,

Affiliated to JNTUK, Kakinada,

Enikepadu, Vijayawada-521108,

Andhra Pradesh, India

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of its students.

About IT Department

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology.

The Engineer & Society, a part of IT Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent

trends & technologies in the computer field.

Objective of the Seminar:

The main goal of the seminar was equipping participants with the knowledge and skills needed to excel in research article writing. Attendees left the seminar with a deeper understanding of the publication process, from selecting the right journal to crafting a well-structured and ethically sound research article.

Outcomes:

- ❖ Understanding the Research Process
- ❖ Clarity in Writing
- ❖ Academic Writing Style
- ❖ Literature Review
- ❖ Data Collection and Analysis
- ❖ Writing an Abstract
- ❖ Choosing a Journal
- ❖ Manuscript Submission
- ❖ Peer Review and Revision
- ❖ Ethical Considerations

**One day Seminar on
RESEARCH ARTICLE WRITING
04-10-2021**

Registration Fee: Free

Registration Deadline: 03-10-2021

A one-day seminar on the intriguing topic, **RESEARCH ARTICLE WRITING** ", was successfully organized by Department of Information Technology, Vijaya institute of technology for women, enikepadu, Vijayawada, Andhra Pradesh, held on 30th Jan 2019.

The main goal of the seminar was equipping participants with the knowledge and skills needed to excel in research article writing. Attendees left the seminar with a deeper understanding of the publication process, from selecting the right journal to crafting a well-structured and ethically sound research article.

Objective of the Seminar:

Specific goals of this Seminar included:

Ensure participants have a clear understanding of the research process, including defining research questions, conducting literature reviews, designing experiments or studies, and collecting data.

Teach participants how to conduct a comprehensive literature review to identify gaps in existing research and situate their work within the broader academic context. Provide guidance on selecting appropriate research designs, data collection methods, and statistical analyses based on the specific research questions.

Teach participants how to structure their research articles, including writing clear and concise titles, abstracts, introductions, methods, results, discussions, and conclusions. Ensure participants understand proper citation styles and how to create a list of references or bibliography.

Emphasize the importance of clarity, coherence, and conciseness in scientific writing, including grammar, punctuation, and sentence structure. Discuss ethical issues in research and publication, including plagiarism, data fabrication, and conflicts of interest.

About College: The college Vijaya Institute of Technology for Women is founded by Sri. B.S. Appa Rao is an eminent educationalist who has been actively involved in promoting professional colleges such as Engineering, Medical and Pharmaceutical Sciences. His close association with educational institutes spans over three decades. He dreams of alleviating the status of the educational institutions of SRK Foundation making them Centers of Excellence on par with IITs and NITs. He desires of establishing Research and Development wing for inculcating scientific temper, humanism and the spirit of equity and reform among the student community. His objective is to produce world class engineers endowed with human values to serve the society and to bridge the gap between industry and the educational institutions. The college offer courses in Computer science (CSE), Artificial Intelligence and Machine Learning (AIML), Data Science (DS), Electrinocs and Communication Engineering (ECE), Information Technology (IT), Electrical and Electronics Engineering (EEE)

About Department of Artificial Intelligence and Machine Learning (AIML) We are committed to shaping the future through cutting-edge advancements in Artificial Intelligence and machine learning. Our experienced faculty, state-of-the-art facilities, and emphasis on ethics ensure that students are equipped to drive innovation responsibly. From foundational education to advanced research opportunities, our AIML department provides a platform for students to thrive in the evolving landscape of technology.

Explore our comprehensive programs, including a Bachelor's Degree in Artificial Intelligence and Machine Learning. With strong industry collaborations and a focus on hands-on learning, our students graduate well-prepared to tackle real-world challenges. Join us and be part of a community dedicated to pushing the boundaries of Artificial Intelligence and machine learning, creating a positive impact on society.

How to Apply:

The Participants can Fill-up the Registration form and send the scanned copy of the registration form to the mail id.

ONE DAY SEMINAR ON WOMEN ENTREPRENEURSHIP DEVELOPMENT

Date: July 05, 2021

Presented by: Mr. Khaza K B Vali Bhasha SK

A one-day seminar on “**Women Entrepreneurship Development**” was successfully organized by Department of Artificial Intelligence and Machine Learning in association with Entrepreneurship Development Cell, Vijaya institute of technology for women, enikepadu, Vijayawada, Andhra Pradesh, held on 05th July 2021. The main goal of Women Entrepreneurship Development is to empower and support women in starting and growing their own businesses. This is achieved through various strategies and programs aimed at promoting and facilitating women's participation in entrepreneurship. The specific objectives and goals of Women Entrepreneurship Development may include:

Promoting Economic Independence: Encouraging women to become economically self-sufficient by starting and managing their businesses.

Creating Job Opportunities: Supporting women entrepreneurs can lead to the creation of job opportunities not only for themselves but also for others in their communities.

Gender Equality: Promoting gender equality by reducing the gender gap in entrepreneurship and providing women with equal access to resources, opportunities, and markets.

Objective of the Seminar:

Specific goals of this Seminar included:

The main objectives collectively aim to empower women, improve their socio-economic status, and contribute to economic growth and development while promoting gender equality and inclusivity in the entrepreneurial ecosystem.

Explaining the importance of women empowerment to Participants

Program Out Comes:

This seminar programme is carefully designed around the acquisition of some open-source tools and methods for achieving women goals. Women empowerment programs aim to improve the social, economic, and political status of women, ultimately leading to positive outcomes for both women and society as a whole. The specific outcomes of women

empowerment programs may vary depending on their focus and objectives. It's important to note that the outcomes of women empowerment programs may take time to materialize and may vary depending on the specific context, the design of the program, and the level of community support. Long-term commitment and a multi-dimensional approach are often necessary to achieve lasting and sustainable results in women's empowerment.

The one-day seminar on “**Women Entrepreneurship Development**” came to a close on 05th July 2021, with a Valedictory function. Dr.G. Chenchamma gave the welcome address in the valedictory function. Guest of the Valedictory Function gave a motivational speech on relevance of quality research during the valedictory programme and encouraged the participants to keep learning research methodology techniques and doing quality research. Dr.G. Madhu Sri, coordinator of the ED Cell presented the report on one day seminar on Women Entrepreneurship Development. The coordinator of the seminar taken the Live feedback of participants.
