Affiliated to JNTUK, Kakinada,
Enikepadu, Vijayawada-521108,
Andhra Pradesh, India

**PRINCIPAL
VIJAYA INSTITUTE OF
TECHNOLOGY FOR WOMEN
ENIKEPADU, VIJAYAWADA-521 108.**

About College

The college Vijaya Institute of Technology for Women is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering college in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE and IT, Masters in Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference. It has made its presence felt more with its academic discipline, results and the achievement of it's students.

About ECE Department

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology. The Engineer & Society, a part of ECE Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

Objective of the Seminar:

A Critical and Design Thinking is a most Research methods require experienced researchers to define the design specifications for a project. The reserchers employs different methods to collect data,analyse it and arrive at the solution that addresses user needs and expectations.

One of the most important competencies that a research must have in order to arrive at an optimum solution the ability to critically think and analyse.

Objectives:

- ❖ Design thinking
- ❖ Creative Problem solving
- ❖ Reflection
- ❖ Objectivity
- ❖ Applications
- ❖ Reserch can introduce unnecessary complexity
- ❖ Deductive Reasoning,
- ❖ Inductive Reasoning,

A ONE DAY SEMINAR ON CRITICAL AND DESIGN THINKING

16-11-2020

Registration Fee: Free

Registration Deadline: 16-11-2020

A one-day seminar on **Critical And Design Thinking** was successfully organized by Research and Development Cell, Vijaya Institute of Technology for women, Enikepadu, Vijayawada, Andhra Pradesh, held on 16th November 2020.

The main goal of the seminar was to enhance the joy of research. Research is a method of methodical inquiry to explore deeper into a topic and create results that are socially meaningful in a variety of formats, such as a thesis, product, research paper, or patent. There are many distinct types of research, each of which uses a different methodology.

Objective of the Seminar:

Specific goals of this Seminar included:

The primary goal of research in any field of inquiry is to investigate by applying scientific methods. Each research has its specific goals that may enumerate broad goals of research

Program Conclusion

Research tools and techniques refer to the methods, instruments, and strategies that researchers use to collect, analyze, and interpret data in a systematic and organized manner. These tools and techniques differ depending on the nature of the research, the research objectives, and the field of study. Here are some common research tools and techniques:

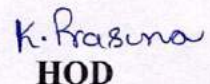

The one-day seminar on Critical Design & Thinking came to a close on 16th November 2020, with a Valedictory function. Ms. K.Murali gave the welcome address in the valedictory function. Guest of the Valedictory Function gave a motivational speech on relevance of quality research during the valedictory program.
