Dear Madam,

Senior Citizens forum is maintaining an old age home at Kanuru. We sincerely convey our appreciation to your college NSS unit which took a great effort in spending their valuable time at our home on the occasion of International Women's Day on 8th March, 2021. Their activities are truly commendable as they spent their time with the senior women citizens by conducting some games for them. The women felt happy in their company and blessed the young women volunteers of VITW.
