College Code: NP, Enikepadu, Vijayawada-521108

Date: 10th May 2022

CIRCULAR

This is to inform the faculty that a one week Faculty Development Program on **"DATA SCIENCE"** will be held from 23th May 2022 to 28th May 2022.Which is being organized by the Department of Information Technology. Hence, the interested faculty is requested to register for the program on or before 22nd May 2022. All the registered faculty must attend the faculty development program regularly without fail.

Venue: Skills Lab.

RESOURCE PERSONS:

Dr.K. Sita Kumari
Associate Professor, V.R. Siddhartha Engineering College.

Dr.T. Anuradha,
Professor, V.R. Siddhartha Engineering College.

Dr.A. Radhika
Associate Professor, SRK Institute of Technology

Dr. CH. Rajendra Babu
Professor, Andhra Loyola Institute of Engineering & Technology

Dr.Vijaya Saradhi
Professor, Sreenidhi Institute of Science & Technology

Dr.K.Sandeep
Associate Professor, Dhanekula Institute of Engineering & Technology

FDP COORDINATOR:

Mr. CH. Phani Kanth
Assistant Professor, Department of Information Technology.

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN
Affiliated JNTU Kakinada
Enikepadu, Vijayawada-521108
Andhra Pradesh, INDIA
www.vitw.edu.in

ABOUT THE COLLEGE:

The College VITW was founded by Sri Boyapati AppaRao garu in 2008, with the objective of providing excellent learning facility for women to pursue education in Engineering. VITW is affiliated to JNTUK, approved by AICTE, certified by ISO 9001:2015. VITW is only women's engineering college in the heart of Vijayawada city offering engineering undergraduate courses in CSE,ECE,IT and AI&ML, Master in business administration and diploma engineering courses in DCME,DECE,DEEE.VITW has made its presence felt more with academic, discipline, results and the achievements of its students.

DEPARTMENT OF INFORMATION TECHNOLOGY:

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology. The Engineer & Society, a part of IT Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

ABOUT THE PROGRAM:

The faculty development program promotes knowledge regarding various computer technologies and explains the significance of the latest new trends. On the whole, the FDP provides an insight into various recent advancements in Computer Science. Data science is the study of data to extract meaningful insights for business. It is a multidisciplinary approach that combines principles and practices from the fields of mathematics, statistics, artificial intelligence, and computer engineering to analyze large amounts of data. This analysis helps data scientists to ask and answer questions like what happened, why it happened, what will happen, and what can be done with the results.

PARTICIPANTS (who should attend):

This workshop is meant for faculty from Academic institutes, Research scholars, Industry Personnel's.

Date: 31st May 2022

A one week Faculty Development Program report on "Data Science"

Objective:

To create awareness among faculty over data science, its various technologies and applications.

Description:

From May 23 to May 28, 2022, the Department of Information Technology organized a one-week faculty development workshop on "DATA SCIENCE." The participants in the program encountered an extremely excellent academic environment. Mr. Ch. Phanikanth Assistant Professor from Department of Information Technology greeted the dignitaries. Mrs. Y. Vijaya, Head of the Department, gave the FDP keynote presentation. Dr. G. Chenchamma, Principal, then gave an overview of the program.

Resource Persons:

Dr.K. Sita Kumari
Associate Professor, V.R. Siddhartha Engineering College.

Dr.T. Anuradha,
Professor, V.R. Siddhartha Engineering College.

Dr.A. Radhika
Associate Professor, SRK Institute of Technology

Dr. CH. Rajendra Babu
Professor, Andhra Loyola Institute of Engineering & Technology

Dr.Vijaya Saradhi
Professor, Sreenidhi Institute of Science & Technology

Dr.K.Sandeep
Associate Professor, Dhanekula Institute of Engineering & Technology

FDP Coordinator:

Mr. CH. Phanikanth
Assistant Professor,
Department of Information Technology

Topics covered during the program:

Day 1: Introduction to Data Science

Introduction to data science uses of scientific methods, Processes, algorithms and applications of knowledge in data across a broad range of applications domains.

Day 2: Applications of Data Science

Which involves extracting some meaningful insights from the raw, structured, unstructured data and their applications.

Day 3: Data Handling with Python

Handling the files operations on files and processing the data

Day 4: Recent Trends in Data Science

Focused on the trends in Data Science, Analytics and classification analysis.

Day 5: Pandas for Data Science

Explained about the Panda library regarding data science in python.

Day 6: Data Analytics

Analytics is the systematic computational analysis of statistics and also explain uses of data analytics

Outcome:

The FDP program enriched the knowledge of faculty over data science, now a day's data science plays pivotal role in the Information technology industry. The program highlighted the importance and relevance of data analytics to solve the problems found by the IT Industry. It also highlighted the current trends in the IT industry. All the participants who have attended the program gained rich insights into the topics.

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

An ISO 9001:2015 Certified Institute Approved by AICTE Affiliated to JNTU, Kakinada,AP
Phone: 0866-2844444,
Email: vijayatechfw@gmail.com Website: www.vitw.edu.in College Code: NP, Enikepadu, Vijayawada-521108

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW)is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE, AIML and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department.

The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

OBJECTIVES OF FDP:

The objective of an FDP (Faculty Development Program) on "Advanced Techniques in Signal Processing" typically aims to provide educators and researchers with specialized knowledge and skills in the field of signal processing. The specific objectives of such a program may include Enhancing Expertise, Current Trends, Research and Innovation, Pedagogical Enhancement etc,.

Encourage participants to publish research papers, patents, or other scholarly works in the field of signal processing, thereby contributing to the academic and industrial communities. Create a platform for participants to network with experts, researchers, and peers in the field, facilitating collaboration and knowledge exchange. Instill a sense of lifelong learning and self-improvement by motivating participants to continue exploring signal processing advancements even after the program concludes.

SCHEDULE:

09/05/2022	**TOPIC:** Fundamentals of Signal Processing
	Resource person: Dr.Ravindra Dhuli
10/05/2022	**TOPIC:** Signal Processing Tools and Software
	Resource person: Dr.G.Chenchamma
11/05/2022	**TOPIC:** Advanced Filtering Techniques
	Resource person: Dr.Sunny Dayal
12/05/2022	**TOPIC:** Signal Processing for Image and Video, Speech and Audio Signal Processing
	Resource person: Dr.V.Anil kumar
13/05/2022	**TOPIC:** Project Work and Case Studies
	Resource person: Dr.S.Srinivas kumar
14/05/2022	**TOPIC:** Research Methodology and Publication
	Resource person: Dr.B.Yagnanarayana

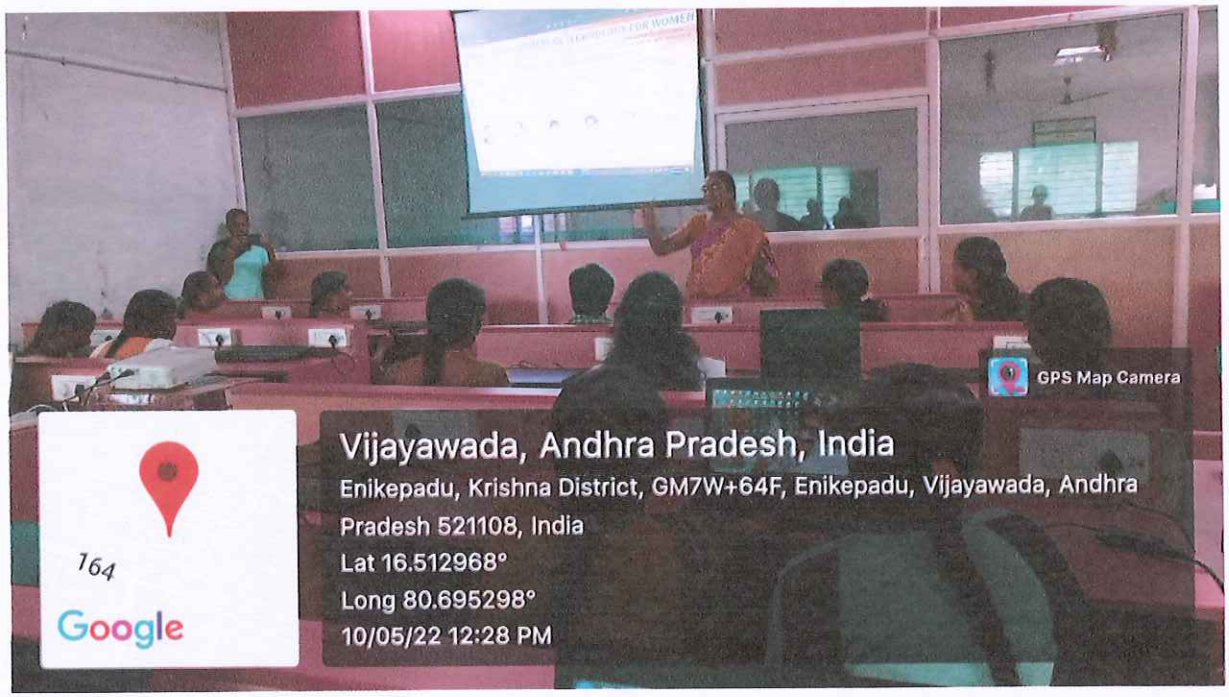
DAY 1-9TH MAY 2022

Inaugural function started at 10:00 am. Ms.K.Prasuna, HOD Department of ECE welcomed all the participants and gave a brief idea about program and basic theme on which all the sessions would be carried out in the duration of program. Honorable Principal Dr. G.Chenchamma greeted all the participants and gave her valuable thoughts on importance of such programmes. She congratulated staff of ECE Department for arranging FDP and wished all participants a good time ahead.

The resource person for Day1 is Dr.RavindraDhuli, Dean-Academic Research, VIT-AP University. Theme of his speech was Transform Techniques in Signal Processing and Communication, which was essentially in line with subject of FDP, viz. Advanced Techniquesin Signal Representation.

DAY 2-10TH MAY 2022

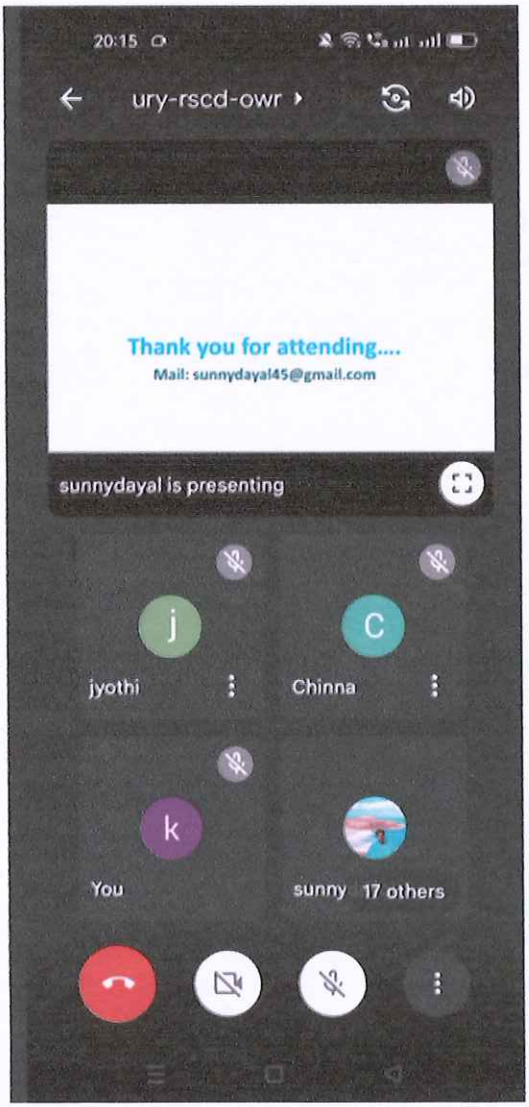
The resource person for Day2 is Dr.G.Chenchamma, Principal, VITW. She received Doctorate from Acharya Nagarjuna University.. Topics covered in the day 2 session are Interactive Voice Systems, Virtual Assistants, Voice Identification, Emotion Recognition and Robotics.



DAY 3-11TH MAY 2022

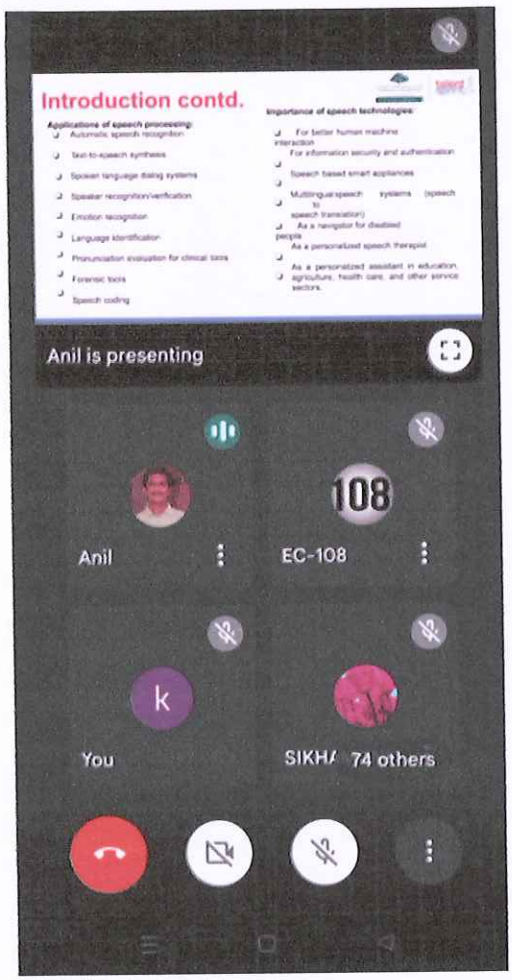
The Resource Person for Day 3 is Dr.SunnyDayal, Associate Professor, VIT-AP University. The session was held in on line mode. He delivered the topic of "Blind Source Separation Using Machine Learning Techniques". It covered the latest cutting edge topics on Blind Source Separation in both theory and applications with examples. It offered unique in-depth analysis of BSS/ICA topics. Also

most advanced areas of BSS and the comprehensive description of the core principles of ICA/BSS are included.



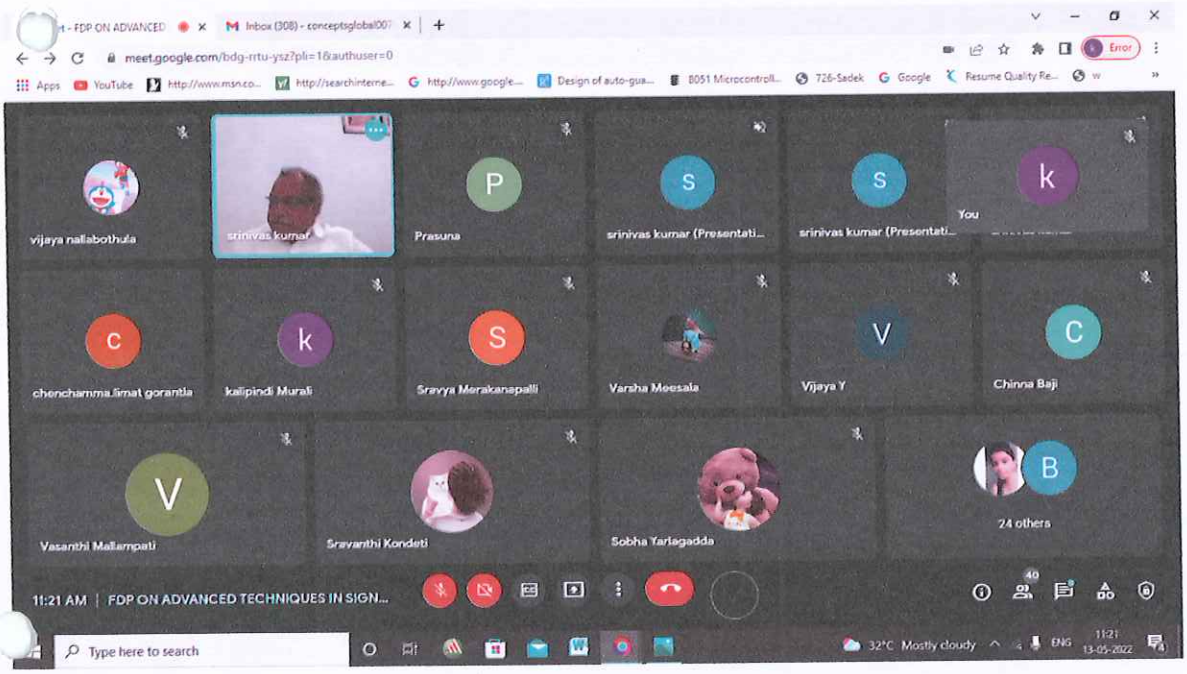
DAY 4-12TH MAY 2022

The Resource Person for Day 4 is Dr.V.Anil Kumar, Associate Professor, IIIT, Hyderabad. The session was held in on line mode. He delivered the topic of "Real Time Applications in Speech Processing". It covered the latest applications like Interactive Voice Systems, Virtual Assistants, Voice Identification, and Emotion Recognition with examples.



DAY 5-13TH MAY 2022

The Resource Person for Day 5 is Dr.S.Srinivas Kumar, Professor,JNTU,Kakinada. The session was held in on line mode. He delivered the topic of "Facial Expression Recognition". It coveredvarious challenges in Facial Expression Recognition. It also covered Main Facial Expressions, Tools used to Identify Facial Expressions, Benefits of reading Facial Expressions and Various Applications of Facial Expression Recognition.



DAY 6-14TH MAY 2022

The Resource Person for Day 6 is Dr.B.Yegnanarayana, Professor, IIIT, Hyderabad. The session was held in on line mode. He delivered the topic of "Blind Source Separation Using Machine Learning Techniques". It coveredthe importance of machine learning in BSS along with the other methods used for BSS.

Program Report

Date: 16-05-2022

Title Of The Event:	A one Week FDP on **"ADVANCED TECHNIQUES IN SIGNAL PROCESSING"**
Resource Persons:	1.Dr.Ravindra Dhuli,Dean-Academic research,VIT-AP University 2.Dr.G.Chenchamma,Principal&Professor,VITW 3.Dr.Sunny Dayal,Associate Professor,VIT-AP University 4.Dr.V.Anil kumar, Associate Professor,IIIT,Hyderabad 5.Dr.S.Srinivas kumar,professor,JNTU Kakinada 6.Dr.B.Yagnanarayana, professor, IIT,Hyderabad
Duration:	09-05-2022 to 14-05-2022
No Of Participants:	24
Description:	Ms.K.Prasuna, HOD of ECE welcomed all the respected dignitaries and participants and emphasized the benefits of such kind of resourceful activity. Dr. G.Chenchamma principal appreciated the program organized by ECE dept. and encouraged for such activities.Then the session was handovered to the resource persons. • Dr.Ravindra Dhuli,Dean-Academic research,VIT-AP University has delivered key note address on "Fundamentals of Signal Processing". In this session participants were learned different types of signals and different techniques to recognize signals. • Dr.Sunny Dayal,Associate Professor,VIT-AP University has delivered a lecture on "Advanced Filtering Techniques". • Dr.G.Chenchamma,Principal&Professor,VITW has delivered a lecture on Signal Processing Tools and Software. At first participants were trained with MATLAB commands and then

	MATLAB code with typical examples of mathematics, communication and signal processing. • Dr.V.Anil kumar, Associate Professor,IIIT,Hyderabad has focused on time series and significance of it in wavelet transform which is used in ECG signal analysis. In this session participants were familiar with the philosophy behind this mathematical illustration. • Dr.S.Srinivas kumar,professor,JNTU Kakinada a has explained "Image Processing". In this session participants were learned the need of digital image, image acquisition, different techniques of image enhancement, image restoration, image compression, wavelet transform, image segmentation. • Dr.B.Yagnanarayana, professor, IIT,Hyderabad has explained how this useful for Project Work ,Research Methodology and Publications.
Objective:	• The major focus of the FDP is on upgrading the teaching, training, and research skills for the development of faculty members. It intends to provide opportunities for faculty members to renew their intellectual vitality and further their professional growth. The Programme also aims at equipping teachers with skills and knowledge in the field of communication, signal processing and image processing that are essential for inculcating learning values in students and guiding and monitoring their progress towards their career.
Outcomes:	• The discussed topics are very useful for the participants. All the sessions were very much interactive. Participants got the knowledge of most widely used advance technologies in this domain that is helpful for research activity.

CIRCULAR

It is to inform to all the Non-Teaching faculty (Administrative Office, Library, Exam Section and other Non-Teaching Staff) that the Department of Business Administration is organizing A 5 Day State Level Training Program on **"HOW TO ADOPT THE BEST PRACTICES AND IMPROVE PRODUCTIVITY IN DELIVERING SEAMLESS SERVICE TO STUDENTS".** The FDP will be conducted from 09/05/2022 to 13/05/2022. In this context, interested Non-Teaching faculty are requested to register their names on or before 08/05/2022.

Venue : Simulation Lab, First Floor.

Mode of Delivery: Hybrid.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. We at the Department instill aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to enable students to become Managers, Leaders and Entrepreneurs.

Along with the Teaching Faculty, Non-Teaching Faculty also plays an equal and important role in attaining the Vision and Mission of College. So this Faculty Development Program is aimed to improve the productivity of Non-Teaching Faculty

OBJECTIVES OF FDP:

- To understand various methods available in increasing the productivity.
- To impart various best practices available for Non-Teaching Faculty
- To enable to have access to the available Practices.
- To prepare Non-Teaching Faculty for various roles and increase their efficiency.
- To equip Non-Teaching Faculty with methods and training techniques so that they can deliver seamless services to students.

SCHEDULE:

09/05/2022 TO 10/05/2022	TOPIC: Introduction about FDP, advantages, importance and challenges.
	Resource person: **Dr. P. SUBBAIAH**
11/05/2022 TO 12/05/2022	TOPIC: How to use Technology to provide services faster and more effectively.
	Resource person: **Sri. D. VENKATA SUBBA RAO**
13/05/2022	TOPIC: Techniques for Librarians and Exam Cell to give maximum output
	Resource person: **Dr. O. SESHAIAH**

REPORT ON

A 5 DAY STATE LEVEL TRAINING PROGRAM

ON

"HOW TO ADOPT THE BEST PRACTICES AND IMPROVE PRODUCTIVITY IN DELIVERING SEAMLESS SERVICE TO STUDENTS"

Date: 16th May 2022.

Title of the FDP : A 5 Day State Level Training Program on **"HOW TO ADOPT THE BEST PRACTICES AND IMPROVE PRODUCTIVITY IN DELIVERING SEAMLESS SERVICE TO STUDENTS"**

Resource Persons : **1. Dr. P. Subbaiah,** Professor, HoD of Department of Business Administration, VITW, Vijayawada.

2. Sri. D. Venkata Subba Rao, Controller of Examinations, SRKIT, Vijayawada.

3. Dr. O. Seshaiah, Librarian, PBR Visvodaya Institute of Technology and Science, Kavali.

Duration of the FDP : 09/05/2022 to 13/05/2022

No of Participants : 21

Mode of Delivery : Hybrid

Description : The Faculty Development Program started with an inaugural session on 09th May, 2022 in the presence of the resource person **Dr. P. SUBBAIAH**, Professor, Department of Business Administration, in the august presence of **Dr. G. CHENCHEMMA**, Principal admist faculty members.

Objective of FDP:

- To understand various methods available in increasing the productivity.
- To impart various best practices available for Non-Teaching Faculty
- To enable to have access to the available Practices.
- To prepare Non-Teaching Faculty for various roles and increase their efficiency.
- To equip Non-Teaching Faculty with methods and training techniques so that they can deliver seamless services to students.

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

Phone: 0866-2844444, Email: vijayatechfw@gmail.com Website: www.vitw.edu.in
College Code: NP, Enikepadu, Vijayawada-521108

Outcome of FDP : After attending the Faculty Development Program, the participants will have knowledge on

- How to use technology for providing better and faster services to Students,
- How to act on time,
- Smart work rather than hard work,
- Techniques to complete the assigned work faster.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW)is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE, AIML and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department.

The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

OBJECTIVES OF FDP:

Equip faculty members with advanced skills in VLSI design using Xilinx EDA tools, enabling them to stay updated with the latest technologies and methodologies. Integrate VLSI design concepts and Xilinx EDA tools into the academic curriculum, ensuring that students receive relevant and up-to-date education in this field. Provide faculty members with practical, hands-on experience in using Xilinx EDA tools for VLSI design, enabling them to effectively teach and mentor students in the application of these tools.

Encourage faculty members to engage in research projects related to VLSI design using Xilinx tools, fostering innovation and contributing to advancements in the field. Facilitate collaboration among faculty members, industry experts, and researchers in the field of VLSI design, creating a network for knowledge exchange and collaborative projects. Develop effective methods for evaluating student performance in VLSI design courses, aligning assessments with industry expectations and standards. Instil a culture of continuous learning among faculty members, encouraging them to attend workshops, conferences, and training programs to stay updated with the latest developments in VLSI design and Xilinx EDA tools.

SCHEDULE:

By the RESOURCE PERSON

Dr.K.Pradeep

27/04/2022	**TOPIC:** Introduction to VLSI Design Xilinx EDA Tools Overview
28/04/2022	**TOPIC:** FPGA Architecture and Design Flow VHDL/Verilog Programming for Xilinx
30/04/2022	**TOPIC:** Introduction to Xilinx Vivado HLS
02/05/2022	**TOPIC:** Logic Synthesis and Optimization
04/05/2022	**TOPIC:** Advanced Xilinx Tool Features
05/05/2022	**TOPIC:** Interactive Workshops and Q&A Sessions

Program Report

Date: 07-05-2022

Title Of The Event:	A one Week FDP on **"VLSI DESIGN BY XILINX EDA TOOLS"**
Resource Person Name:	Dr.K.Pradeep, Managing Director of Apply Volt.,Vijayawada.
Duration:	27-04-2022 to 05-05-2022
No Of Participants:	19
Description:	The opening remarks for the FDP was given by Ms.K.Prasuna, Head of the ECE Department. The brief introduction about the program was given by Dr.G.Chenchamma Garu, Principal and the session is handovered to the resource person Dr. K.Pradeep. He explained the importance of VLSI DESIGN. The VLSI design ecosystem is vast and diverse, with a wide range of tools and solutions available for FPGA, ASIC, and open-source EDA tool development. EDA tools are a suite of electronic design automation software designed to help integrated circuit design engineers, hardware engineers and layout engineers, design and develop electronics circuits at a nanoscopic scale. The following topics covered by the resource person: • Latest trends in VLSI design • Introduction to various tools used in VLSI-Cadence virtuoso, Synopsis Mentor Graphics Xilinx, Tanner, • Electric Architectural design such as CLK, RST, DATA_IN, DATA_OUT
Objective:	• Providing a clear & thorough understanding on fundamental and application areas of VLSI Design. • Providing an in-depth knowledge in use of various tools used in VLSI Design. • Providing example of architectural design such as CLK, RST etc. • Hands on experience on EDA Tools.

Outcomes:	• Opens new avenues for faculty members to pursue research in VLSI Design and Implementation. • Detailed knowledge of various tools of VLSI Design. • Importance of VLSI Design and Implementation in today's trends of life.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) was established by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT, CSE AI&ML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It is a college with a difference.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering (CSE) was established in the year 2008 with a view to develop quality engineers to meet the current trends.

The Department provides undergraduate program in B.Tech (CSE), and is noted for research and teaching excellence. Its faculty members are engaged in breakthrough research across the leading areas of Computer Science and Engineering.

The department has got well equipped laboratories with latest software to meet the industry trends. It also has excellent library facilities.

OBJECTIVES OF FDP:

This program on recent advancements in computer science aims to enhance the knowledge, skills, and teaching methodologies of faculty members in the field. The specific objectives may vary based on the program's scope and goals, but here are some common objectives.

Ensure faculty members are aware of the latest developments, trends, and innovations in computer science. Provide exposure to emerging technologies, tools, and methodologies.

AI aims to automate tasks that traditionally require human intelligence, improving efficiency and reducing human involvement in repetitive, mundane tasks.

AI can predict future outcomes and trends by analyzing historical data, helping in decision-making and planning.

SCHEDULE

25-04-2022	Brief introduction to recent advancement in computer science
	Resource person: **Mr. K. Sudhakar**
26-04-2022	Fundamentals of AI & Machine Learning.
	Resource person: **Dr. N. Venkateswar Rao**
27-04-2022	Implementation of advanced automation systems.
	Resource person: **Dr. M. Venkatadri**
28-04-2022	Architecture of neural networks, including neurons and weights.
	Resource person: **Dr. V. Suma Avani**
29-04-2022	Fundamental concepts of linguistics, syntax, semantics, and pragmatics
	Resource person: **Dr. M. Mary Sujatha**
30-04-2022	AI and ML, such as deep learning, reinforcement learning.
	Resource person: **Dr.G.Lalitha kumari**

Objective	This FDP on Recent Advancements in Computer Science aims to provide knowledge and skills needed for teachers to cater and present today's learners and their learning styles. It provides a platform to learn the advanced technology needed for the design and development of digital resource for teaching and learning.

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

College Code: NP, Enikepadu, Vijayawada-521108

Description	The Department of Computer Science and Engineering has conducted a one-week faculty development program on **"RECENT ADVANCEMENT IN COMPUTER SCIENCE"** from 25-04-2022 to 30-04-2022. The program was aimed to enhance the skills and knowledge of faculty by focusing on teaching, research and technology trends. **Day 1**: The resource person gave an brief introduction to recent advancement in computer science. Overview of the current landscape of computer science advancements digital technologies that are into industrial processes is discussed. **Day 2:** The resource person made faculty understand about the fundamentals of AI & Machine Learning. Case studies showcasing the applications of different domains in AI and ML. **Day 3:** The resource person taught our faculty about acquiring skills in robotics, individuals can contribute to the development and implementation of advanced automation systems, leading to increased efficiency, productivity, and safety. **Day 4:** The resource person explained about fundamental concepts, architecture, and components of neural networks, including neurons, layers, activation functions, and weights. **Day 5:** The resource person gave an clear explanation of the fundamental concepts of linguistics, syntax, semantics, and pragmatics is crucial for building effective NLP models. **Day 6 :** The resource person gave lessons to our faculty about the recent breakthroughs in AI and ML, such as deep learning, reinforcement learning, and natural language processing.
Outcome	In this FDP, the session is worthy learning and is very enlightening. By learning these topics, faculty can develop a solid foundation in recent advancement in computer science and apply this knowledge to various domains. By gaining knowledge in these areas where faculty can better understand the opportunities and challenges.

Email: vijayatechfw@gmail.com Website: www.vitw.edu.in College Code: NP, Enikepadu, Vijayawada-521108

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW)is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department.
The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

OBJECTIVES OF FDP:

To provide participants with a comprehensive understanding of the latest and most impactful emerging technologies across various domains, such as information technology, biotechnology, artificial intelligence, block chain, nanotechnology, and more. Provide practical, hands-on experience with relevant tools and software for working with emerging technologies, enabling participants to experiment and gain confidence in their use. Equip participants with effective teaching methodologies, resources, and curriculum development strategies related to emerging technologies, ensuring they can effectively convey this knowledge to their students. Explore global trends and innovations in emerging technologies, helping participants understand the international landscape and adapt their approaches accordingly.Ensure that the content of the program is aligned with the current and future needs of industries and businesses, preparing educators to train students for jobs in technology-related fields.

SCHEDULE:

18/04/2022	**TOPIC:** Cybersecurity and Data Privacy
	Resource person: Dr.G.Aloy Anjula Mary
19/04/2022	**TOPIC:** Blockchain Technology
	Resource person: Dr.ArunmozhiSelvi,
20/04/2022	**TOPIC: :** Internet of Things (IoT):

Description / Report on Event:

Inauguration Function: The inauguration function of the FDP started on 18-04-2022 at 5.00PM, with the welcome address by the Coordinator, Dr.K.Murali, Associatate Professor, Department of Electronics and Communication Engineering. Address by the Principal, Dr.G.Chenchamma and the Key note address by the distinguish guest and resource person, Dr.Aloy Anjula Mary Professor, Vel Tech University, Avadi. The inaugural function concluded at 5.30 PM and the FDP sessions followed by Dr.Aloy Anjula mary on Challenges in Cognitive Radio Networks. Total sessions conducted and the details are as given below.

Table 1: Details of resource persons and topic delivered

Dates	Name of the Resource Person	Delivered Topic
18.04.2022	Dr.Aloy Anjula mary Professor,Vel Tech University,Avadi	Challenges in CRN
19.04.2022	Dr.Arunmozhi Selvi Assoc.Professor,Zombia	Li-Fi Applications
20.04.2022	Dr.B.Satyasri Associate professor, Vel Tech University,Avadi	IOT & Its Challenges
21.04.2022	Dr.P.Dhana Lakshmi Associate professor, ANU,Guntur	Journey Towards 5G & Artificial Intelligence
22.04.2022	Dr.K.Murali Assoc.Professor,VITW, Enikepadu	5G/6G Challenges:NOMA
23.04.2022	Dr.S.Sri Gowri Professor & HOD,SRKIT, Enikepadu	Fading and Diversity Techniques in 5G

Program Report

Date: 23-04-2022

Title Of The Event:	A one Week FDP on **"EMERGING TRENDS IN NEW AGE TECHNOLOGIES"**
Resource Person Name:	Dr.G.Aloy Anjula Mary, professor,VEL TECH university Dr.ArunmozhiSelvi, Associate professor,Zambia Dr.B.Satyasri, Associate professor, VEL TECH university Dr.P.Dhana Lakshmi, Associate Professor, ANU Dr.S.Sri Gowri, professor&HoD,SRKIT Dr.K.Murali, professor, VITW
Duration:	18-04-2022 to 23-04-2022
No Of Participants:	27
Description:	Ms.K.Prasuna, HOD of ECE welcomed all the respected dignitaries and participants and emphasized the benefits of such kind of resourceful activity. Dr. G.Chenchamma principal appreciated the program organized by ECE dept. and encouraged for such activities. Then the session was handovered to the resource persons. THE BELOW TOPICS COVERED BY THE RESOURCE PERSONS • Cyber security and Data Privacy • Blockchain Technology • Internet of Things (IoT) • Augmented and Virtual Reality (AR/VR) • Green Technologies and Sustainability • 5G and Next-Generation Telecommunications • Artificial Intelligence and Machine Learning (AI/ML)

Objective:	• Foster a collaborative environment among faculty members for sharing ideas, resources, and best practices related to new-age technologies. • Encourage collaborative research projects focusing on the practical applications of these technologies.
Outcomes:	• Participants are prepared for future developments in technology, enabling them to adapt and integrate emerging technologies as they continue to evolve. • Faculty members gain confidence in their ability to navigate and use new-age technologies, leading to increased motivation and enthusiasm in their roles as educators.

ABOUT THE COLLEGE:

The College VITW was founded by Sri Boyapati AppaRao garu in 2008, with the objective of providing excellent learning facility for women to pursue education in Engineering. VITW is affiliated to JNTUK, approved by AICTE, certified by ISO 9001:2015. VITW is only women's engineering college in the heart of Vijayawada city offering engineering undergraduate courses in CSE,ECE,IT and AI&ML, Master in business administration and diploma engineering courses in DCME,DECE,DEEE.VITW has made its presence felt more with academic, discipline, results and the achievements of its students.

DEPARTMENT OF INFORMATION TECHNOLOGY:

The department has well-qualified, experienced and dynamic faculty who are engaged in breakthrough research across the leading areas of information technology. The Engineer & Society, a part of IT Department produces versatile students encourages them to be employed in exciting careers. On an individual level, it improves programming skills and creates awareness among the recent trends & technologies in the computer field.

ABOUT THE PROGRAM:

The faculty development program promotes knowledge regarding various computer science & information technologies and explains the significance of the latest new trends. On the whole, the FDP provides an insight into various recent advancements.

PARTICIPANTS (who should attend):

This workshop is meant for faculty from Academic institutes, Research scholars, Industry Personnel's.

Date: 25th April 2022

A one week Faculty Development Program report on "Research Trends in Computer Science and Information Technology"

Objective:

To provide awareness among faculty over various research trends in the field of computer science and information technology.

Description:

The department of Information Technology organized a one-week faculty development program on **"RESEARCH TRENDS IN COMPUTER SCIENCE & INFORMATION TECHNOLOGY"** from 18th April 2022 to 23th April 2022. A very beneficial academic environment was experienced by the participants during the program. The dignitaries were welcomed by Mr. Ch. Phanikanth Assistant Professor, Department of Information Technology. The keynote address for the FDP was given by Mrs. Vijaya, Head of the Department followed by an introduction to the program by Dr. G. Chenchamma Principal and then session is handover to the Dr. Ch. V. Phani Krishna.

Resource Persons:

1. **Dr. CH.V. Phani Krishna**
   Head of the Department, Computer Science and Engineering,
   TKR Engineering College, Hyderabad.
2. **Dr.V. Pavan Kumar**
   Associate Professor, Department of Information Technology,
   Shri Vishnu Engineering College for Women, Bhimavaram.
3. **Dr. S. Sri Gowri**
   Head of the Department, Electronics and Communication Engineering,
   SRK Institute of Technology, Vijayawada.
4. **A.Sri Laxmi**
   System Architect, Tata Consultancy Services.
5. **M. Madhurima Priyadarshini,**
   Associate Director,
   Union Bank of Switzerland Business Solutions India Private.Ltd,
   Qatar and United Arab Emirates

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

An ISO 9001:2015 Certified Institute, Approved by AICTE, Affiliated to JNTU Kakinada, AP

Phone: 0866-2844444, Email: vijayatechfw@gmail.com Website: www.vitw.edu.in

College Code: NP, Enikepadu, Vijayawada-521108

FDP Coordinator:

Mr. CH.V.Rao

Assistant professor, Department of Information Technology

Topics covered during the program:

Day 1: Deep Learning for Real Time Applications

Introduction to deep learning for real time applications. This is followed by a practical session by presenting the PPT on real time applications, and various types of learning applications.

Day 2: Deep Learning for Real Time Applications

Practical session for how to implementation the deep learning in real world scenarios and implementation of the real time applications.

Day 3: Cyber Security and Cryptography

Introduction to cyber security and various cryptographic algorithms and its applications are discussed

Day 4: How to write Good Research Paper

To covered different topics like Abstract, introduction, existing system, proposed system, algorithms and implementations.

Day 5: Application Development in Main Frames and Various Business Domains

Resource person has given detailed explanation of main frame architecture and its applications in various business domains.

Day 6: Software test Automation

Getting started with testing tools, Design, programming and frontend and backend tools. This is created more interest in participants and it helped the participants to understand about software testing layout.

Outcomes:

The FDP program enriched the knowledge of faculty over research trends in computer science and information Technology in an effective manner. The program highlighted the importance of research trends in the IT industry. All the participants who have attended the program gained rich insights into the topics.

- Development of advanced and efficient machine learning algorithms.

- Integration of AI and machine learning into various applications, including healthcare, finance, and cyber security.
- Advancements in cyber security techniques to counter emerging threats.
- Research on privacy-preserving technologies, especially in the context of data sharing and processing.
- Advancements in HCI for more natural and intuitive user experiences.
- Research on augmented reality (AR) and virtual reality (VR) interfaces.
- Innovations in cloud infrastructure, including server less computing.
- Research on energy-efficient and sustainable cloud computing solutions.
- Developments in robotics for industrial, medical, and domestic applications.
- Research on the ethical and societal implications of autonomous systems.
- Innovations in online learning platforms and educational technologies.
- Research on the impact of technology on teaching and learning outcomes.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT S&H DEPARTMENT

The Department of Science and Humanities is a primal department which consists of Chemistry, Physics, Mathematics and English disciplines. All the disciplines in the department exist as a separate division and maintain their identities. The varied disciplines provide the students with the knowledge of Mathematics, Physics, Chemistry, English and Environmental Science fundamentals. Developing moral behaviour among the students, utilizing human resources and coordinating academic responsibilities are exclusive potential of the department. The department accomplishes transforming young aspiring minds into determined fresh women engineers through Outcome Based Education. Besides, the department teaches students a positive ethos through Value-Based Education.

ABOUT THE YOGA:

Yoga is not religion not an exercise form and certainly not a fashion trend. It is a way of living that aims towards a healthy mind and body. The simple goal of yoga is to help a person rise above his external self and attain enlightenment. Yoga promotes the balanced development of an individual physical, mental and spiritual being.

OBJECTIVES OF FDP:

Yoga education helps in self-discipline and self-control, leading to immense amount of awareness, concentration and higher level of consciousness. Briefly the aims and objectives of Yoga education are:

1) To enable the student to have good health.
2) To practice mental hygiene.
3) To possess emotional stability.
4) To integrate moral values.
5) To attain higher level of consciousness.

SCHEDULE:

11-04-22 to 13-04-22	TOPIC: Yoga Poses
	TOPIC: Aerobics
	TOPIC: Mudras
	TOPIC: Surya Namaskaras
	TOPIC: Meditation
	Resource person: **Mrs.Ch. Siva Jyothi**

Program Report

Program Name: A Three days Faculty Development Programme on '' **Yoga for Harmony and Health''**

Period:11-04-2022 to 13-04-2022

Name of the Resource person:

1. **Ms. Ch. Siva Jyothi,** Yoga Instructor, VIPW, **Phone Number:** 8374249636, **Mail.ID:** sivajyothi.001@gmail.com.

Number of participants: 52

Program objective: This program aims to analyze the need for and importance of yoga for social and global transformation. Yoga works on one's body, mind and spirit. Therefore, it is known as the global art. If our body, mind and soul are healthy and harmonious, we can bring health and harmony to the society, nation and the globe by being a healthy and harmonious organ of the global body of humanity. Yoga is universal in appeal and applicable to the world humanity irrespective of caste, creed, religion or nation.

Topics Covered:

- Yoga Poses
- Aerobics
- Mudras
- Surya Namaskaras
- Meditation

Program outcome: This type of yoga practice can be adopted in daily life to maintain good health and also helps in prevention of many psychosomatic disorders where psychological stress is believed to play a role. These practices mainly reduce psycho physiological arousal but also enhance different aspects of attention, such as the ability to sustain; focus and shift attention thereby instills a greater amount relaxation and peace of mind.

Andhra Pradesh, India
PH: 0866-2844444
www.vitw.edu.in

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT S&H DEPARTMENT

The Department of Science and Humanities is a primal department which consists of Chemistry, Physics, Mathematics and English disciplines. All the disciplines in the department exist as a separate division and maintain their identities. The varied disciplines provide the students with the knowledge of Mathematics, Physics, Chemistry, English and Environmental Science fundamentals. Developing moral behaviour among the students, utilizing human resources and coordinating academic responsibilities are exclusive potential of the department. The department accomplishes transforming young aspiring minds into determined fresh women engineers through Outcome Based Education. Besides, the department teaches students a positive ethos through Value-Based Education.

ABOUT THE FDP:

Soft Skills, a buzz word today has attracted the attention of students, professionals and entrepreneurs all over the world. Employability, being the major concern today, every individual aims at getting coveted jobs employability today is commensurate with proving multiple skills in varied situations in a fast changing world. Hence, every one aspiring for jobs today has to prove ones mettle in various situations where one requires to be armed with different skills, which, collectively come under soft skills

OBJECTIVES OF FDP:

The course aims to cause a basic awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Hard or technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfilment and supreme joy. Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness and effective communication skills.

SCHEDULE:

06-04-22 and 08-04-22	**Topic:** Communication Skills, Work Ethics
	Topic: Leadership Skills, Presentation Skills
	Resource persons: **Mrs. V. Vishnu Vandana Devi** **Ms. Rakshanda Ruhi khan**
07-04-22	**Topic:** Teamwork, LSRW Skills
	Resource person: **Mrs. V. V. Vandana Devi** **Ms. M. Sasi Kumari**
09-04-22	**Topic:** Time Management, Positive Attitude
	Resource person: **Dr. M. Veera Bhadra Rao,** **Ms. M. Sasi Kumari**
10-04-22 to 11-04-22	**Topic:** Creative Skills, Self - Motivation
	Resource person: **Ms. M. Sasi Kumari,** **Ms. Rakshanda Ruhi khan**

Program Name: One week Faculty Development Programme on '' **Soft Skills and Personality Development** ''

Period: 06-04-2022 to 11-04-2022

Resource persons:

1. **Mrs. V. Vishnu Vandana Devi**, Associate professor, VIPW, Vijayawada,
   Phone Number: 93986 10547, **Mail. ID**:vishnuvandanadevi.87@gmail.com
2. **Ms. Rakshanda Ruhi Khan**, Assistant professor, VITW, Vijayawada,
   Phone Number: 9701590005, **Mail. ID:**rakshandaruhikhan@gmail.com.
3. **Ms. M. Sasi Kumari**, Assistant professor, VITW, Vijayawada,
   Phone Number: 95812 09963, **Mail. ID**:sasikumari.1989@gmail.com
4. **Dr. M. Veera Bhadra Rao**, Professor, SRKIT, Vijayawada,
   Phone Number: 9701590005, **Mail. ID**: veerabhadrarao.2007@gmail.com

Number of participants: 53

Program objective: The course aims to cause a basic awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Hard or technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfilment and supreme joy.

Topics Covered:

- Communication Skills
- Leadership Skills
- Team work
- LSRW Skills
- Work Ethics
- Presentation Skills
- Time Management
- Positive Attitude
- Creative Skills
- Self-motivation

Program outcome: To know about various aspects of soft skills and learn ways to develop personality 2) understand the importance and type of communication in personal and professional environment. 3) To provide insight into much needed technical and non-technical qualities in career planning.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW)is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE,AIML and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department.

The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

OBJECTIVES OF FDP:

To equip educators, researchers, and professionals with specialized knowledge and skills in the field of antenna design and radio frequency (RF) engineering for wireless communication systems. The specific objectives of such a program may include Fundamental Understanding, Advanced Antenna Design, RF Circuit Design, Wireless System Architecture, Antenna Testing and Measurement, Simulation and Modelling Tools etc,. To foster a culture of research and innovation in the field of antenna and RF design, encouraging participants to engage in cutting-edge research projects.

To create opportunities for participants to network with experts, researchers, and peers in the field, facilitating collaboration and knowledge exchange and to publish research papers, patents, or other scholarly works in the field of antenna and RF design.

SCHEDULE:

By the RESOURCE PERSON
Dr.D.Prabhakar

20/03/2022	**TOPIC:** Introduction to Antennas and RF Systems
21/03/2022	**TOPIC:** Antenna Design Principles
22/03/2022	**TOPIC:** RF Propagation and Link Budget Analysis
23/03/2022	**TOPIC:** Antenna Arrays and MIMO Technology
24/03/2022	**TOPIC:** RF Simulation and Modeling Tools
25/03/2022	**TOPIC:** Hands-on Workshops and Projects

Program Report

Date: 25-03-2022

Title Of The Event:	A one Week FDP on **"ANTENNA AND RF DESIGN FOR WIRELESS SYSTEMS"**
Resource Person Name:	Dr. D. PRABHAKAR , Associate Professor, ECE, Seshadri Rao Gudlavalleru Engineering College,Vijayawada.
Duration:	20-03-2022 to 25-03-2022
No Of Participants:	33
Description:	Ms.K.Prasuna, HOD of ECE welcomed all the respected dignitaries and participants and emphasized the benefits of such kind of resourceful activity. Dr. G.Chenchamma Garu Principal appreciated the program organized by ECE dept. and encouraged for such activities. Then the session was handovered to the resource person Dr.D.Prabhakar. **Day1:**The resource person explained the introduction of antenna and RF design for wireless systems. **Day2:** The resource person had further moved into the topic Antenna Design Principles. This made the participants to gained complete knowledge about this topic. **Day3:** The resource person discussed about the topic RF Propagation and Link Budget Analysis. This is analyzed the Link budget accounts for all gains and losses in the communication link. **Day4:** The resource person gave a clear explanation of Antenna Arrays and MIMO Technology. **Day5:** The resource person trained the participants in RF Simulation and Modeling Tools. **Day6:** The resource person finally moved to Hands-on Workshops and Projects and then concluded.

Objective:	• The main objective of this Faculty Development Program is to provide an opportunity for engineering faculty to get the exposure and interaction with the field experts, who are involved in the research and development RF Energy harvesting antenna design and various challenges involved for Wireless Body Area Networks (WBANs) supporting healthcare applications contribute at monitoring, diagnostic, or therapeutic levels
Outcomes:	• On successful completion of the Programme, the participants will be able to acquire the basic knowledge of RF energy harvesting antenna. Learn the design and development as well as different challenges in utilizing the RF energy harvesting antenna for various applications.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. We at the Department instill aptitude to think logically and act rationally. Faculty members at MBA promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs

OBJECTIVES OF FDP:

- To understand various methods in teaching and learning.
- To improve the standards of teaching there by increasing the qualitative aspect.
- To have access to various ICT operations, digital resources and thinking Skills.
- To prepare faculty for various roles like Motivators, Facilitators, Mentors and Guides.
- To equip faculty with innovative technologies and sufficient knowledge, so that they can guide students in achieving their goals.

SCHEDULE:

13/12/2021 TO 14/12/2021	TOPIC: ICT introduction, advantages, importance and challenges.
	Resource person: **Dr. K. MURALI**
15/12/2021 TO 16/12/2021	TOPIC: Installation of Zoom, Google Meet, scheduling a meeting, inviting panelists and generation of reports.
	Resource person: **Mr. E. NAGARAJU**
17/12/2021	TOPIC: Process for enrolling for NPTEL Courses and its uses.
	Resource person: **Mr. CH. V. RAO**

REPORT ON

A 5 DAY FACULTY DEVELOPMENT PROGRAM

ON

"USE OF ICT IN TEACHING AND LEARNING"

Date: 18th December 2021

A 5 day Faculty Development Program titled **"Use of ICT in Teaching and Learning"** was organized in VITW from 13th to 17th December 2021 by the Dept of Business Administration to equip the faculty with new innovative technologies for improving the Productivity, Teaching and Learning Experience, which gives a chance for the Faculty to learn the various concepts enthusiastically.

RESOURCE PERSONS: Resource persons for this programme are the experts from industry and academia.

1. **Dr. K. MURALI,** Associate Professor, Department of ECE, VITW, Enikepadu.
2. **Mr. E. NAGARAJU,** Assistant Professor, Department of MCA, SRKIT, Enikepadu.
3. **Mr. CH. V. RAO,** Trainer, Java Developer, HMIES, Visakhapatnam.

NO OF PARTICIPANTS: 20

INAUGURATION OF THE FDP:

The Faculty Development Program started with an inaugural session on 13th December 2021, in the presence of resource person, **Dr. K. MURALI,** Associate Professor, Department of ECE, **Dr. G. CHENCHAMMA**, Principal of Vijaya Institute of Technology for Women, **Dr. P. SUBBAIAH**, HoD, Dept of Business Administration, and other faculty members.

The session began with welcome address by Mr. K. Swaroop, Assistant Professor, Dept of MBA, who discussed about the objectives of the Faculty Development Program.

Principal, **Dr. G. CHENCHAMMA** have stressed the importance of using different teaching and learning methods. **Dr. P.SUBBAIAH**, HoD, Dept of Business Administration addressed the audience with his words.

OBJECTIVES OF THE FDP:

- To understand various methods in teaching and learning.
- To improve the standards of teaching there by increasing the qualitative aspect.
- To have access to various ICT operations, digital resources and thinking Skills.
- To prepare faculty for various roles like Motivators, Facilitators, Mentors and Guides.
- To equip faculty with innovative technologies and sufficient knowledge, so that they can guide students in achieving their goals.

DAY 1 TO DAY 2 OF FDP:

Two days of the Faculty Development Program i.e. from 13th December to 14th December were delivered by the Resource Person **Dr. K. MURALI,** Associate Professor, Department of ECE, with an introduction about ICT, its advantages, importance and some of the challenges and issues related to ICT.

DAY 3 TO DAY 4 OF FDP:

Two days of the Faculty Development Program i.e. from 15th December to 16th December were delivered by the Resource Person **Mr. E. NAGARAJU,** Assistant Professor, Department of MCA, SRKIT about Zoom Installation, Google Meet, how to schedule a meeting, how to invite panelists and how to generate reports in Online meeting Apps.

DAY 5 OF FDP:

Last day of the Faculty Development Program i.e. 17th December is delivered by the Resource Person **Mr. CH. V. RAO,** Trainer, Java Developer, HMIES, Visakhapatnam, regarding how to enroll for NPTEL Courses, its uses and other online platforms of learning which makes education easy.

KEY BENEFITS:

After attending this Faculty Development Program, the participants will be able to understand the different types of tools available in teaching and learning, opportunities for effective teaching, active learning strategies, learner centric models.

At the end of the last day session, it was good to hear a positive feedback form the participants for conducting such an informative Faculty Development Program. All the participants were enthusiastic about the use of tools which makes their work easy.

Valedictory Session:

A Valedictory session was held to mark the end of the Faculty Development Program on **"Use of ICT in Teaching and Learning"** on 17th December 2021. It was attended by the Principal, HOD's and other staff members from other departments.

The session ended with a **Vote of Thanks** by Mr. K. Swaroop, Assistant Professor, Department of Business Administration, by pointing out the importance of learning such innovative techniques in Teaching and Learning and with a hope that participants will implement the various ICT Tools.

ABOUT THE COLLEGE:

The College Vijaya Institute of Technology for women (VITW) was founded by Sri Boyapati AppaRao garu in 2008, with the objective of providing excellent learning facility for women to pursue education in Engineering. VITW is affiliated to JNTUK, approved by AICTE, certified by ISO 9001:2015. VITW is only women's engineering college in the heart of Vijayawada city offering engineering undergraduate courses in CSE,ECE,IT and EEE, Master in business administration and diploma engineering courses in DCME,DECE,DEEE.VITW has made its presence felt more with academic, discipline, results and the achievements of its students.

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology (IT) is established in the year 2008 with a view to develop quality engineers to meet the current trends. The Department provides Undergraduate programmed in B.Tech (IT) is noted for research and teaching excellence. Its recognized faculty members are engaged in breakthrough research across the leading areas of Information Technology

.

ABOUT NIPUNA TECHNOLOGIES

Nipuna Technologies the best Software Training Institute in Guntur is dedicated to providing you an exceptional quality of education to help you thrive in the IT industry. We equip learners both technically and professionally, allowing them to learn and grow. We at Nipuna Technologies are dedicated to giving you the confidence and skill to land your dream role. Our objective is not just improving your skills but also helping you monetize them with placement opportunities. Increase your chances of getting a job by taking advantage of placement-oriented software training at Nipuna Technologies. We offer a diverse set of job-oriented courses while providing students with world-class training from working professionals and live projects.

ABOUT THE PROGRAM:

The Internet of Things (IoT) provides the ability to interconnect computing devices, mechanical machines, objects, animals or unique identifiers and people to transfer data across a network without the need for human-to-human or human-to-computer is a system of conversation. IoT applications bring a lot of value in our lives. The Internet of Things provides objects, computing devices, or unique identifiers and people's ability to transfer data across a network without the human-to-human or human-to-computer interaction. A traffic camera is an intelligent device. The camera monitors traffic congestion, accidents and weather conditions and can access it to a common entrance. This gateway receives data from such cameras and transmits information to the city's traffic monitoring system.

PARTICIPANTS (who should attend):

This workshop is meant for faculty from Academic institutes, Research scholars, Industry Personnel's.

Date: 29th November 2021

A one week Faculty Development Program report on "IOT and AI Applications"

Objectives:

1. To create awareness among faculty over fundamentals of IOT and AI with its applications.
2. To explore various research opportunities and challenges in the field of IOT, AI and its applications.

Description:

The Department of Information Technology organized a one-week faculty development program on "IOT and AI Applications" from 20th November 2021 to 27th November 2021. A very beneficial academic environment was experienced by the participants during the program. The dignitaries were welcomed by Mrs. S. Ramya Assistant Professor, Department of Information Technology. The keynote address for the FDP was given by Mrs.Y.Vijaya, Head of the Department, followed by an introduction to the program by Dr. G. Chenchamma, Principal.

Resource Person:

Sri. Shaik Tabraje
Project Engineer,
Nipuna Technologies, Guntur.

FDP Coordinator:

Mrs. S. Ramya
Assistant Professor,
Department of Information Technology

Topics Covered during the program:

DAY-1: Introduction to Internet of Things (IOT)

Business Ready, SaaS to IOT applications, benefits of IOT, embedded with sensors, embedded software.

DAY-2: Architecture &Domains

Network Structure, Cloud Technology, Stages of IOT Solutions Architecture, Virtual Entity, Physical Entity.

DAY-3: IOT Devices

Security and Privacy, Edge Computing, Wireless sensors, Actuators.

DAY-4: IOT Platforms

IOT Connectivity platforms, IOT Device Management Platform, IOT Application Enablement Platforms, IOT Analytic Platform.

DAY-5: Communication in Layers of OSI Model

Application, Presentation, Session, Network, Data Link and Physical, Routing between Devices and Cloud.

DAY-6: IOT + Arduino

Arduino Cloud, Arduino Uno, Arduino Due, Arduino Mega, Arduino Leonardo.

Outcomes:

The FDP program enriched the knowledge of faculty over Internet of Things and AI Applications, now a day's Internet of Things and AI Applications change the entire world in the field of Information technology industry and Internet of Things and AI Applications tanking entire world into its Hands. The Program highlighted the current trends in the IT industry. All the participants who have attended the program gained rich insights into the topics.

Improved understanding and knowledge of IoT and AI concepts, techniques, and tools. Improved ability to design, develop, and implement IoT and AI applications. Integration of modern technologies and techniques into the curriculum to improve the quality of education in IoT and AI.

Understand complex ideas and relate them to specific situations, the ability to evaluate available learning methods and select those appropriate to solve a given task. Demonstrate awareness and a fundamental understanding of various applications of AI techniques in health care, Security /privacy, IoT Edge Computing, Smart Buildings & Smart Solutions.
