Duration: One Day

Number of Students: 56

Faculty Coordinators:

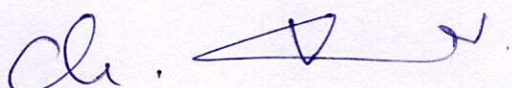

- Mr. Ch. V. Rao, Asst. Prof.
- Mrs. S. Ramya, Asst. Prof

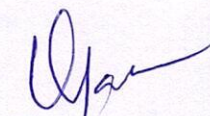

OBJECTIVES OF VISIT:

- For students pursuing professional education, industrial visits help them gain real-time experience of how industry operations are executed.
- Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
- For students they get to work in a real work environment which can help them in understanding how an organization works.
- Students become more aware of industry practices and regulations during industry visits.
- Industry visits help enhance interpersonal skills and communication techniques.

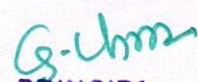

OUTCOMES OF VISIT:

- It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.
- Industry visits broaden the outlook of students with exposure to different workforces from different industries.
