The department of Electronics & Communication Engineering organized a three days session on the topic "Speak English Professionally" for III B.Tech ECE & IT students by Ms. G. Esther Santhi Garu, Soft skills trainer from Rama Chandra College of Engineering.

PROGRAM OUTCOMES:

After the completion of the session, the students are beneficial and:

- Applies the strategies to make the communication simple, clear and effective.
- Uses fairly complex grammatical structures correctly.
- They have a deeper knowledge of English language as well as its practical application.

Students from B.Tech ECE & IT attended the program and got benefited. Oral feedback is collected from the students and they have expressed that the training sessions are very effective and it helps them to develop all round personalities. The Management, Principal and HOD appreciated the trainer for her elegant speaking skills.

The department of Computer Science Engineering organized a three days session on the topic "Advanced Grammar and Punctuation" for III B.Tech CSE students by Ms. G. Esther Santhi Garu, Soft skills trainer from Rama Chandra College of Engineering.

PROGRAM OUTCOMES:

After the completion of the session, the students are beneficial and:

- Improve their linguistic skills in English.
- Builds confidence in expressing themselves in English.
- They have better job opportunities and are able to increase their vocabulary skills.
- The students use fairly complex grammatical structures correctly.

Students from III B.Tech CSE attended the program and got benefited. Oral feedback is collected from the students and they have expressed that the training sessions are very effective and it helps them to develop all round personalities. The Management, Principal and HOD appreciated the trainer for inculcating the students with the session on advanced grammar and punctuation skills.
