### E- Governance (ERP)

Vijaya Institute of Technology for Women adopted the e- Governance system to manage its academic, administrative and student affairs effectively, it is an ERP solution that enables the college to conduct online admissions, generate reports, create ID cards, enable online communication, manage curriculum, time tables and conduct online evaluations, track student progress, conduct data analysis, teach remotely, and handle enquiries and leads for admissions in the college.

The college ERP software is designed keeping in mind the different operations of a college viz:

Vendor Name:

**HIROTOIND TECHNOLOGIES:** College Management Software (e-Governance software),

KUKATPALLI, HYDERABAD, TELANGANA

System Requirements:

To install e-Governance software your web server must be running PHP 5.4 or higher and My sql

We have tested it with Windows, Mac and Linux but for optimum performance we will recommend to use Linux with Apache web server. Below is a list of items you should ensure your host can comply with.

- PHP5.6+
- MYSQL5.1+
- MY SQL SQL\_MODE must not contain ONLY\_FULL\_GROUP\_BY mod\_rewrite Apache
- MB String Extension MY SQLi Extension files info Extension Zip Extension
- CURL Extension (recommended)
- PHP max\_execution\_time should be at least 60 seconds for smoother installation

#### Implementation of ERP in Academic Process

The Institution maintains the data in ERP for effective resource planning. The service provider was identified for effective implementation and support activities since 2021.
