Annexure-A

Terms and conditions of authorization:

1. The e-waste collection, storage and dismantling unit shall comply with the provisions of the Environment (Protection) Act, 1986, and E-Waste (Management) Rules, 2016.
2. The application is processed based on the report submitted by Environmental Engineer, Regional Office, Vijayawada and the information furnished by the proponent.
3. The authorization shall be produced for inspection at the request of an officer authorized by the Andhra Pradesh Pollution Control Board while collection, storage and transport of e-waste.
4. The collection, storage and dismantling unit authorized shall not rent, lend, sell, transfer or otherwise transport the e-wastes without obtaining prior permission of the Board.
5. Any unauthorized change in personnel, equipment, working conditions as mentioned in the application by the person authorized shall constitute a breach of this authorization.
6. It is the duty of the authorized person to take prior permission of the Board to close down the operations.
7. An application for the renewal of this authorization shall be made, as laid down in sub- rule (VI) of rule 13(3), i.e. 120 days before the expiry of this authorization.
8. The collection, storage and dismantling unit shall provide / publish details such as address, telephone number / helpline number, e-mail, etc. of the collection centre to the general public.
9. The collection, storage and dismantling unit shall ensure that the e- waste collected by them is stored in a secured manner in the authorised premises till it is dismantled mechanically and to send residual waste to recycler.
10. The applicant shall take all necessary steps to avoid inconvenience to the neighbors.
11. The centre shall not carry out any recycling activity of e-waste.
12. The collection, storage and dismantling shall ensure that the collected waste is not stored for **more than 180 days**. The collection, storage and transport unit shall not collect any waste other than e-waste as mentioned at Schedule-I.
13. The collection, storage and dismantling centre shall ensure that no damage is caused to the environment during storage and dismantling of e-waste.
14. The collection, storage and dismantling unit shall preferably segregate e-waste into categories of "IT & TE" and "Consumer electrical and electronics" and shall store it in suitable racks /containers / bins. Height of the containers should be limited to 7 feet. Containers of appropriate size and shape shall be used for segregation of e-waste items to facilitate effective handling operations.
15. The shed area shall be covered and with impervious flooring.
16. The facility shall provide adequate facilities for handling/arresting leakages of compressor oils, CFCs / HCFCs in case of collection, storage and dismantling of goods like refrigerators and air conditioners.
17. The collection, storage and dismantling unit shall take care for proper packing of broken e-waste equipment during the storage, transportation, and dismantling.
18. The collection, storage and dismantling unit shall be secured with boundary wall and security personnel.

G. BHUVANESH

Managing Director

Clean Earth Green Earth Solutions

Jewellery Park, Potheipalli (V),

MAACHILIPATNAM - 521 092.

19. The proponent shall follow Rule No. 19 of E-Waste (Management) Rules, 2016 for transportation of e-waste.
20. The collection, storage and dismantling unit shall maintain records of the e-waste handled in Form – 2 and make such records available for scrutiny by the Board.
21. The collection, storage and dismantling unit shall file annual returns in Form – 3 to the Board on or before the **30th day of June** following the financial year to which that return relates.
22. This authorization is issued subject to obtaining required permissions from local authority / Fire Safety Department and other relevant government departments, which are statutory requirement for carrying out the above activity.
23. The proponent shall comply with all the directions issued by the Board from time to time.
24. Concealing the factual data, submission of false information/fabricated data and failure to comply with any of the conditions mentioned in this authorization may result in withdrawal of this authorization and attract action under the provisions of relevant pollution control Acts.
25. The Board reserves its right to modify above conditions or stipulate any further conditions in the interest of environmental protection.
26. The Board is empowered to suspend or cancel the authorization in case of non compliance of conditions of the authorization or with any provisions of Environment (Protection) Act or e-waste Rules.
27. This order is issued without prejudice to the rights of this Board in any court of law.
