STUDENT FEEDBACK ANALYSIS REPORT FOR THE ACADEMIC YEAR: 2022-2023 STUDENT FEEDBACK ON CURRICULUM

OBJECTIVE OF FEED BACK:

VITW aspires to offer quality education and lively atmosphere to encourage college students to achieve their educational endeavours. VITW implements a robust mechanism to enrich the curriculum by conducting other activities like Remedial Classes, Industrial Visits, Guest Lectures, Workshops and Student Development Programs.

Stakeholders, i.e., College students, teachers, and employers play a crucial role in the appraisal, enhancement and enrichment of the quality of this learning process. Hence, the institution collects and analyzes the feedback from all stakeholders, i.e., College students, teachers, employers and alumni every academic year on curriculum/syllabus to assess its service strategies and to make suggestions to concerned authorities for further action.

STUDENT FEEDBACK ON CURRICULUM

The purpose of the Student's Feedback on Curriculum (SFC) is to gather formative student feedback that can be used towards the enhancement of course design and delivery and also for student learning experiences. During the current academic year, 2022-2023, the college collected feedback from approximately 61 students from various streams. The data is collected and their recommendations are considered for possible inclusion in the curriculum.

ANALYSIS:

In the present academic year 2022-2023, the institution collected around 61 student feedbacks from all the branches of Engineering and MBA courses. The data is analyzed and their suggestions are considered for credible implementation of curriculum delivery

Total number of respondents: 61
