ABOUT THE COLLEGE:

The College Vijaya Institute of Technology for women (VITW) was founded by Sri Boyapati Appa Rao garu in 2008, with the objective of providing excellent learning facility for women to pursue education in Engineering. VITW is affiliated to JNTUK, approved by AICTE, certified by ISO 9001:2015. VITW is only women's engineering college in the heart of Vijayawada city offering engineering undergraduate courses in CSE, ECE, IT and AI&ML, Master in business administration and diploma engineering courses in DCME, DECE, DEEE. VITW has made its presence felt more with academic discipline, results and the achievements of its students.

DEPARTMENT OF INFORMATION TECHNOLOGY:

The Department of Information Technology (IT) is established in the year 2008 with a view to develop quality engineers to meet the current trends. The Department provides Undergraduate programme in B.Tech (IT) is noted for research and teaching excellence. Its recognized faculty members are engaged in breakthrough research across the leading areas of Information Technology.

ABOUT APSSDC:

The Govt. of AP has formed 7 different Missions to achieve double digit growth for the state and to make AP among the most developed state in the country. Among these, the Knowledge and Skills Mission has been formed to provide trained and skilled manpower to all other Missions. To bring the faster execution State Government Andhra Pradesh has established The Department of Skill Development, Entrepreneurship and Innovation (DSDEI) has been further created to coordinate and synergize skilling efforts of all departments. Under which APSSDC is formed.

ABOUT THE PROGRAM:

APSSDC in collaboration with AWS Educate is offering the AWS Associate Cloud Architect workshop to faculty members and students. This course will introduce you to the core concepts of cloud computing from its essential characteristics to the different service & deployment models, cloud architecture, security and monitoring, emerging technologies offered by the cloud. It provides you with fundamentals to become more proficient in identifying AWS services so that you can make informed decisions about IT solutions based on your academic projects, business requirements and get started working on AWS Cloud.

PARTICIPANTS (who should attend):

This workshop is meant for faculty from Academic institutes, Research scholars, Industry Personnel's.

Date: 22th March 2021

A one week Faculty Development Program report on “AWS Associate cloud Architect”

Objectives:

- To get the awareness of different types of AWS services and their applications.
- Understanding of architectural best practices for building resilient and scalable applications on AWS.
- Ability to design secure applications and architectures to protect data confidentiality and integrity.
- Knowledge of cost-effective strategies for AWS services and efficient resource utilization.

Description:

A faculty development workshop on "AWS Associate cloud architect" is scheduled by the Department of Information Technology to occur from March 15th to 20th, 2021, for a duration of one week. Throughout the entire program, the participants were in an extremely supportive academic environment. Mr. Ch. Phanikanth, Assistant Professor, Department of Information Technology, greeted the dignitaries. The department head, Mrs. Y. Vijaya, gave the FDP keynote address. Next, the program was introduced by the principal, Dr. G. Chenchamma.

Resource Person:

1. **Mr. Ramadeep**
Multi Skill Trainer
Andhra Pradesh State Skill Development Corporation
2. **Mr. Rupesh Kumar**
Technical Skill Trainer,
Andhra Pradesh State Skill Development Corporation

FDP Coordinator:

Mr. Ch. Phanikanth
Assistant Professor,
Department of Information Technology

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

An ISO 9001:2015 Certified Institute, Approved by AICTE, Affiliated to JNTU Kakinada, AP

Phone: 0866-2844444, Email: vijayatechfw@gmail.com Website: www.vitw.edu.in

College Code: NP, Enikepadu, Vijayawada-521108

Topics covered during the program:

Day 1: Introduction to Cloud Computing

- Introduction to Cloud Computing & Account Registration in AWS,
- Demo on Servers: How to launch instances (Servers) in Cloud.
- AMIs and Volumes in AWS

Day 2: Network Services

- Virtual Private Gateway and NAT Gateway
- Elastic IP and Application Deployment

Day 3: AWS Services

- Load balancers and Storage Concepts on cloud
- Static Website Hosting using WINSXP-Tool
- In-depth understanding of AWS services, including EC2, S3, RDS, VPC, Lambda, and Cloud Watch

Day 4: Architectural Design

- Ability to design scalable, fault-tolerant, and highly available architectures.

Day 5: Security Best Practices

- Knowledge of security best practices for data protection, encryption, and access controls.

Day 6: Cost Management:

- Skill in optimizing costs by selecting appropriate instance types, utilizing Reserved Instances, and monitoring resource consumption.

Outcome:

The Faculty Development Program was a valuable asset for faculty and IT professionals seeking to demonstrate their expertise in designing and implementing robust and scalable solutions on the AWS cloud. As cloud adoption continues to grow, this certification was a key differentiator for individuals aspiring to excel in the field of cloud architecture.

During the program involved in-depth learning about AWS services and best practices in cloud architecture. This knowledge enhanced your professional development and keeps updated on the latest trends and technologies in cloud computing.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) was established by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT, CSE AI & ML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It is a college with a difference.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering (CSE) was established in the year 2008 with a view to develop quality engineers to meet the current trends.

The Department provides undergraduate program in B.Tech (CSE), and is noted for research and teaching excellence. Its faculty members are engaged in breakthrough research across the leading areas of Computer Science and Engineering.

The department has got well equipped laboratories with latest software to meet the industry trends. It also has excellent library facilities.

OBJECTIVES OF FDP:

This program is designed to enhance the knowledge, skills, and capabilities of faculty members in the field of data science. The objectives of this program can vary depending on the specific goals and context, but here are some common objectives.

Equip faculty with advanced technical skills in data science, including proficiency in programming languages such as Python or R, knowledge of advanced machine learning algorithms, and expertise in data manipulation and analysis.

Provide a deep understanding of advanced concepts in data science, such as deep learning, natural language processing, reinforcement learning, and other cutting-edge techniques.

Implement mechanisms for assessing the effectiveness of the faculty development program and gather feedback for continuous improvement, ensuring that the program remains relevant and impactful.

SCHEDULE

18-01-2021	Introduction to Advanced Data Science
	Resource person: Mr.CH.AMBEDKAR
19-01-2021	Advanced Machine Learning Techniques
	Resource person: Mr.CH.AMBEDKAR
20-01-2021	Natural Language Processing (NLP) and Text Mining
	Resource person: Mr.CH.AMBEDKAR
21-01-2021	Time Series Analysis and Forecasting
	Resource person: Mr.CH.AMBEDKAR
22-01-2021	Advanced Data Visualization and Interpretability
	Resource person: Mr.CH.AMBEDKAR
23-01-2021	Applications and Case Studies
	Resource person: Mr.CH.AMBEDKAR

PROGRAM REPORT

Event Type	Faculty Development Program
Title of the Event	“ADVANCE DS WITH APPLICATIONS”
Event Start Date	18-01-2021
Event End Date	23-01-2021
Duration	One week
No. of Participants	21
Resource Person	Mr.CH.Ambedkar, Assistant Professor. Dept of CSE, S.R.K Institute of Technology.
Objective	This FDP is about Advance.DS with Applications. The course aims to provide a deeper understanding of advanced topics in data science, such as machine learning algorithms, deep learning, natural language processing, and big data analytics. It provides a platform to apply software development methodologies to create efficient, well-structured applications that other programmers can easily understand.

Description	<p>The Department of Computer Science and Engineering has conducted a one-week offline faculty development program on “ADVANCE DS WITH APPLICATIONS” from 18-01-2021 to 23-01-2021. The program is aimed to enhance the skills and knowledge of faculty by focusing on teaching, research and technology trends.</p> <p>Day1: The Resource Person has given a brief introduction to Advance DS with Applications. The faculty were taught about the importance of data pre-processing and feature engineering.</p> <p>Day2: The Resource Person made faculty understand about the fundamentals of advance data science. He focused much on advanced machine learning algorithms such as random forests, gradient boosting, and support vector machines.</p> <p>Day3: The Resource Person delivered lecture to faculty about acquiring skills in data science and explained different types of neural networks including convolution and recurrent neural networks.</p> <p>Day4: The Resource Person explained about NLP and its applications. Introduced advanced NLP techniques such as sentiment analysis, named entity recognition and text generation.</p> <p>Day5: The Resource Person vividly explained about big data concepts and technologies. Taught about distributed computing and parallel processing.</p> <p>Day6 : The Resource Person gave insight our faculty about case studies and examples of how advanced data science is used in various industries.</p>
Outcome	<p>In this FDP, the sessions are worth learning and is very enlightening. By learning these topics, faculty can develop a solid foundation in the Advance DS with Applications and apply this knowledge to various domains. By gaining knowledge in these areas, faculty can better understand the opportunities and challenges. Faculty will become proficient in the statistical analysis of data and can know about uses of computation tools for data analysis.</p>

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, DS, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department. The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

ABOUT THE FDP :

Cybersecurity is the protection of internet-connected systems such as hardware, software and data from cyberthreats. The practice is used by individuals and enterprises

It aims to educate individuals about potential cyber threats, best practices for safeguarding sensitive information, and how to respond effectively in case of a security incident.

OBJECTIVES OF FDP:

The goal of cyber security is to ensure secure storage, control access and prevent unauthorized processing, transfer, or deletion of data. It safeguards the confidentiality, integrity, and availability of information.

One single security breach can lead to exposing the personal information of millions of people. These breaches have a strong financial impact on the companies and also loss of the trust of customers. Hence, cyber security is very essential to protect businesses and individuals from spammers and cyber criminals.

SCHEDULE:

07/01/2021 TO 12/01/2021	TOPIC: Introduction to Cyber Security ,Importance of Cyber Security in day to day life, Applications and Tips to improve Security .
	Resourceperson: Dr. G. JACOB VICTOR

College Code: NP, Enikepadu, Vijayawada-521108

OBJECTIVES OF THE EVENT:

- To understand the concept of Cyber Security .
- The CIA triad refers to an information security model made up of the three main components: confidentiality, integrity and availability.
- Each component represents a fundamental objective of information security.
- It scans vast data and identifies potential threats and reduces false positives by filtering out non-threatening activities.
- This helps human experts focus on more critical security tasks

FOR WHOM:

The FDP is open for students, Faculty and Entrepreneurs who have an interest in understanding the concept of Cyber Security. At every Phase of life, This helps human experts focus on more critical security tasks.

PEDAGOGY:

The FDP is a mixture of lecture, case studies and sharing of experiences between participants and resource persons.

KEY BENEFITS:

After attending this FDP, the participants will be able to understand the challenges, Avoiding legal Fines and Penalties, issues, Maintaining Employee and Customer Trust, Better Cyber security posture, Protecting organizations against paying a ransom , Staying ahead of the competition , Avoiding legal Fines and Penalties.

Safeguarding Business Operations.

Better cyber security posture.

Protecting organizations against paying a ransom.

At the end of the last day session, it was heartening to receive positive feedback from participants who applauded the FDP.

VALEDICTORY SESSION:

A Valedictory session was held to mark the one week journey of the FDP on “CYBER SECURITY IN DAY TO DAY LIFE” on 12th Jan 2021. It was attended by the Principal, HoD's and other staff members from other departments.

The session was started with a welcome address by Mr.K.MURALI, Asst Prof, Dept of ECE, VITW, pointed out the importance of creativity and innovation in Cyber Security .

The session ended with a Vote of Thanks by Ms.K.PRASUNA, HOD, Dept of ECE , VITW with a hope that participants will use this knowledge and information in innovations.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT MBA DEPARTMENT

The department was established in the year 2009 and offers 2 year full time Master of Business Administration (MBA) program with the approval of AICTE, and affiliated to JNTUK. We at the Department instil aptitude to think logically and act rationally. Faculty members at Department promote knowledge through teaching, research and training. Various tools are used to allow students to become Managers, Leaders and Entrepreneurs.

OBJECTIVES OF FDP:

Self - Management or Self – Regulation is the second of the three key areas of personal skills that make up Emotional Intelligence. Self – Management is concerned with how you control and manage yourself and your emotions, inner resources, and abilities.

It also includes your ability to manage your impulses. It also includes an element of taking responsibility for your own actions, and ensuring that what you do matches with your personal values.

SCHEDULE:

14/12/2020 TO 16/12/2020	TOPIC: Introduction to Self – Management, Skills essential for Self – Management and Tips to improve Self – Management Resource Person: Mr. G. SAI SRINIVAS MURTHY
17/12/2020 TO 18/12/2020	TOPIC: Introduction to Emotion Control, how to become a boss of one's emotions and Emotion Control Meter. Resource Person: Mrs. P. NAGA LAKSHMI

REPORT ON A 5 DAY FACULTY DEVELOPMENT PROGRAM ON “SELF MANAGEMENT AND EMOTION CONTROL”

Date: 21st December 2020

Department of Business Administration organized a 5 day Faculty development Program on **SELF - MANAGEMENT AND EMOTION CONTROL** in the Vijaya Institute of Technology for Women, from 14th to 18th December, 2020 as an initiative to improve Self – Management and Emotional Intelligence.

RATIONALE OF THE FDP: Self - Management or Self – Regulation is the second of the three key areas of personal skills that make up Emotional Intelligence. Self – Management is concerned with how you control and manage yourself and your emotions, inner resources, and abilities. It also includes your ability to manage your impulses. It also includes an element of taking responsibility for your own actions, and ensuring that what you do matches with your personal values.

RESOURCE PERSONS:

1. **Mr. G. SAI SRINIVAS MURTHY**, Assistant Professor, PSCMR College of Engineering and Technology, Vijayawada.
2. **Mrs. P. NAGA LAKSHMI**, Research Scholar KLEF, Vaddeswaram.

NO OF PARTICIPANTS: 17

INAUGURATION OF THE FDP:

The FDP started with an inaugural session on 14th December, 2020 in the presence of the resource person **Mr. G. SAI SRINIVAS MURTHY**, Assistant Professor, PSCMR College of Engineering and Technology, **Dr. G. CHIENCHEMMA**, PRINCIPAL of Vijaya Institute of Technology for Women, **Dr.P.SUBBAIAH**, HoD of Department of Business Administration and other faculty members.

The session began with welcome address by **Mrs. N. Nirupama**, Assistant professor, Dept. of Business Administration, who also emphasized the importance of the FDP in the present scenario.

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN

College Code: NP, Enikepadu, Vijayawada-521108

Principal Dr. G. CHENCHEMMA, spoke a few points on the FDP. Dr. P. SUBBAIAH, HoD, Department of Business Administration addressed the participants with a few words.

THE JOURNEY OF FDP:

- Day 1 to Day 3 of FDP was delivered by the resource person Mr. G. SAI SRINIVAS MURTHY, Assistant Professor, PSCMR College of Engineering and Technology, Kothapet, Vijayawada.
 - Day 1 the Resource Person started the Faculty Development Program with an introduction, as well as with an example on Self – Management and Emotion Control.
 - Day 2 with the skills those are essential for Self - Management and Emotion Control.
 - Day 3 with tips to improve Self – Management and ended the session with a brief explanation of a quote on Mastering One Self.
- Day 4 to Day 5 of FDP was delivered by the resource person Mrs. P. NAGA LAKSHMI, Research Scholar KLEF, Vaddeswaram
 - Day 4 the Resource Person started the Faculty Development Program with an introduction on Emotion Control and how to become a boss of one's emotions and some tips to become a boss which also helps for personal development.
 - Day 5 with an activity using Emotion Control meter to check the level of emotions and how to have a control on emotions.

VALEDICTORY SESSION:

A Valedictory Session was held to mark the five day journey of the FDP on "Self - Management and Emotion Control" on 18th December, 2020. It was attended by the Principal, HOD's and other staff members of Various Departments. The Session ended with a **Vote of Thanks** by Mrs. P. Kalpana, Assistant Professor, Department of Business Administration, by thanking College Management for giving a chance to conduct such FDP which helps in the Personal growth of the Participants.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is founded by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT and AIML, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT ECE DEPARTMENT

The department has well-qualified, experienced and dynamic faculty along with technical skills who spearhead the process of achieving the vision of the department.

The department was established in the year 2008 with B.Tech programme in Electronics & Communication Engineering. The Objective of the department is to impart quality education with practical approach and to develop research, innovative skills. To face Challenges of the industry & Academia.

OBJECTIVES OF FDP:

The overall objective of an FDP on Design for Testability in the IC industry is to empower educators, researchers, and professionals with the knowledge and skills needed to integrate DFT principles into IC design, testing, and diagnosis processes.

It aims to enhance the quality and efficiency of IC testing and contribute to the development of robust, reliable, and cost-effective integrated circuits.

Configure and troubleshoot redundancy on a switched network using STP and Ether Channel. Develop critical thinking and problem-solving skills using real equipment and Cisco Packet Tracer.

SCHEDULE:

Resource Person:

RUPENDRA RAO

13/12/2020	TOPIC: Introduction to Design for Testability (DFT)
14/12/2020	TOPIC: Design and Implementation of Scan Chains
15/12/2020	TOPIC: Fault Models and Test Coverage
16/12/2020	TOPIC: Mixed-Signal and RF IC Testing
17/12/2020	TOPIC: DFT Standards and Industry Best Practices Collaboration and Networking
18/12/2020	TOPIC: Teaching and Research in DFT

Program Report

Date: 27-01-2020

Title Of The Event:	A one Week FDP on “ DESIGN FOR TESTABILITY IN IC INDUSTRY ”
Resource Person:	Mr.R.Upendrarao, Managing director of CHIP Electronics Training, Vijayawada.
Duration:	21-01-2020 to 25-01-2020
No Of Participants:	29
Description:	<p>The opening remarks for the FDP was given by Ms.K.Prasuna, Head of the ECE Department. The brief introduction about the program was given by Dr.G.Chenchamma Garu, Principal and the session is handovered to the resource person Mr.R.Upendra Rao.</p> <p>TOPICS COVERED:</p> <ul style="list-style-type: none"> • Introduction to Design for Testability • Scan Chains and Serial Testing • Built-In Self-Test (BIST) • Test Access Mechanisms (TAM) • Boundary Scan (JTAG) • Fault Coverage Analysis • Testability Metrics • Design Verification Techniques • Test Infrastructure Design
Objective:	<ul style="list-style-type: none"> • The objectives of Design for Testability in the IC industry are focused on optimizing the testing process and improving fault detection capabilities. • Ultimately producing high-quality, reliable integrated circuits in

	a cost-effective and timely manner.
Outcomes:	<ul style="list-style-type: none"> • Participants should gain the skills to evaluate and improve testability metrics. • Participants should acquire hands-on experience with DFT tools. • Participants may gain insights into integrating DFT principles into educational curricula, ensuring that future engineers and designers are equipped with the knowledge and skills required by the industry.

ABOUT THE COLLEGE

Vijaya Institute of Technology for Women (VITW) is established by Sri Boyapati Appa Rao Garu in 2008, with the objective of providing excellent learning facility for women to pursue education in engineering. VITW is affiliated to Jawaharlal Nehru Technological University (JNTU), Kakinada, approved by All India Council for Technical Education (AICTE), Certified by ISO 9001:2015. VITW is the only women's Engineering College in the heart of Vijayawada city, offering engineering under graduate courses in CSE, ECE, EEE, IT, Masters of Business Administration and Diploma Engineering courses in CSE, ECE and EEE. VITW is not just one more engineering college. It's a college with a difference.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering (CSE) is established in the year 2008 with a view to develop quality engineers to meet the current trends.

The Department provides undergraduate program in B.Tech (CSE), and is noted for research and teaching excellence. Its faculty members are engaged in breakthrough research across the leading areas of Computer Science and Engineering.

The department has got well equipped laboratories with latest soft-wares to meet the industry trends. It also has excellent library facilities.

OBJECTIVES OF FDP:

To improve faculty understanding on broad range of techniques available in research methods and data analytics.

Helping faculty comprehend appropriateness of statistical software packages for data collection.

To impart faculty the capabilities of formulation and testing of hypothesis based on the nature of research.

Data Collection and Research Analysis

Data collection and analysis tools are defined as a series of charts, maps, and diagrams designed to collect, interpret, and present data for a wide range of applications and industries.

Various programs and methodologies have been developed for use in nearly any industry, ranging from manufacturing and quality assurance to research groups and data collection companies.

The systematic application of statistical and logical techniques to describe the data scope, modularize the data structure, condense the data representation, illustrate via images, tables, and graphs, and evaluate statistical inclinations, probability data, and derive meaningful conclusions known as Data Analysis.

SCHEDULE

07-12-2020	Introduction to research and research design.
	Resource person: Dr.P.Subbaiah
08-12-2020	Qualitative and Quantitative data collection methods. Ethical considerations on data collection.
	Resource person: Dr.P.Subbaiah
09-12-2020	Data analysis techniques
	Resource person: Dr.P.Subbaiah
10-12-2020	Advanced data analysis techniques such as regression analysis, its applications and Analysis of Variance (ANOVA)
	Resource person: Dr.P.Subbaiah
11-12-2020	Ethical considerations in research and network & collaboration opportunities
	Resource person: Dr.P.Subbaiah

Description	<p>The Department of Computer Science and Engineering has conducted a 5-day offline faculty development program on “DATA COLLECTION AND RESEARCH ANALYSIS” from 07-12-2020 to 11-12-2020. The program was aimed to enhance the skills and knowledge of faculty by focusing on teaching, research and technology trends.</p> <p>Day 1: The resource person, explained the introduction of research and research design. He delivered the importance of data collection and sample design , also depicted about data collection techniques and how to design a research questionnaire.</p> <p>Day 2: The resource person had further moved to in-depth explanation about Qualitative and Quantitative data collection methods. He demonstrated about the ethical considerations on data collection .</p> <p>Day 3: The resource person unraveled about the Data analysis techniques. He detailed about the introduction of statistical analysis and training on statistical software like SPSS, Excel ,R. He deciphered about Inferential statistics and Hypothesis testing .</p> <p>Day 4 :The resource person rationalized regarding advanced data analysis techniques such as regression analysis, its applications and Analysis of Variance (ANOVA).He expounded the introduction on Research presentation and tips for effective research presentation.</p> <p>Day 5: The resource person unfolded on the subject of Ethical considerations in research and network& collaboration opportunities. He elaborated on peer review sessions on participant’s research proposals and concluded the program by addressing the queries.</p>
Outcome	<ol style="list-style-type: none">1. Participants demonstrated a heightened understanding of various research methodologies, paradigms, and approaches.2. Participants acquired awareness of ethical considerations in data collection3. Participants gained hands-on experience with statistical software tools such as SPSS and R.
